Hello! Between the Bars Friends! April 25th 2016

"My Statement":

I Want to Speak out! About this Michael Johnson (MJ) H.I.V/A.I.D.S Story: I first heard of it inside my Black and Pink Newspaper 2015 Issue. He has H.I.V./AIDS and he was Spreading it amongst his Ex-Lovers and, he was a former Wrestler.

Now! He's incarcerated in Missouri. According to my UltraViolet (UV) Newspaper Dated: March 2016 Issue We all Know, this act is a form of murder, and a deadly disease.

So, Why does the World and, the Public News Media Want him free back out in society? If, he did this evil thing to others or is the media fabricating a bogus story?

Now this makes me Wonder. Does he have H.I.V./AIDS? Who gave it to him? Why didn't he use a Condom during Sex? These Questions flowing around in my head. I don't Know Michael Johnson (MJ) personally or his status.

But, if you have H.I.V./AIDS. You need to let the other person Know, so they will have a Chance to decide if they Want to have SEX With you or not.

And, people always use a Condom When having Sexual intercourse With a lover or partner. Get tested on a regular basis too!

Safe Sex, always, saves lives Everywhere in the World. Incarcerated or Free in Society. Keep this in mind People!!

P.S. Friends! Please Post this Submission on the BLOG POST for the Free World People to read it! Hello! Charles De'Tar, the Director!

Lots of Love,
