Vote. I cannot afford not to

People listen I heard some people who says they cannot vote for Trump or biden. When you said that basically that means you alright with how everything is chaotic. which is ~~said~~ sad. I have ~~alrea~~ already establish why I thank Joe Biden should be president and Donald Trump gone, I have realize there are some individuals that's in this world. Said the way the think. We have to keep praying for those individuals.
