

My Dearest Kaitlyn & Sean,

1-18-23

A letter that will never get read cuz
you died & I just want to let you know I
love you. I think of you everyday. You
are forever in my heart and mind. You
are forever young to me.

I painted these two for you:

The bigger one is "Kaitlyn's Creek" and
the smaller is "Sean Jr. Lake".

I love you! Don't believe the hype.

I would die for you.

Love,
Daddy
