

William

Of ever! Love so-loves to love as such!—
Where is it thy heart is not in kindness?—
As much to this, am I to thee — enmuch!
In offer of true transparency's test
No misdeed, ungood of will willing love—
And He am I!, who loves as such, and depth
The legacy of these letters kiss & love,
as devoted a faithfulness at length—
at large-or-little — I subscribe to self.
and! if God so-be — so-bade it thy might
as more for Love, than for me — I unself-
ishness as Love so-be, and this belights
as much as Shakespeare & Cartwright & Poe,
Blessed! as Elizabeth-Barrett-Browning poets—

God's Given English

As fair as Eden's garden! — was Eve-to-
Adam fortified semblance seams
This Him-to-Her; Woman-for-Man loves so
Balanced upon the scales levels triple beams
as best to make of God's given English
Entrust we thrive to encase gift grateful,
Dare to venture off the path love (re)lish —
I am one to live for Her-for-Him hateful
And faithful brisks no breach to risk Heaven,
To post truth w/in the lines, Brave thrives
So we may see the best of Time, lives dear!,
Exclusive as Love does love so derives
Thus, was Paradise always, and survives —
