DEAR UMA AND ALLIED MEDIA CONFERENCE PARTICIPANTS:

Hello! Hope all is doing well on your end. I was happy to receive your comments and expressions of revolutionary love. I also appreciate the fact that you find something good and worthwhile in the suggestions I presented to the AMC Network Gathering.

At this point, I would like to ask you and the AME for a brief summary of the achievements made at the Network Gathering held on June 27-29, 2012, including what resolutions, plans, programs, agendas, strategies or other things were agreed upon and actions, campaigns or events planned to be taken by the participants, and also how and what role progressive prisoners can play in the AMC Coalition work going forward.

Thank you for your utmost concern and attention in this matter. I await your timely response.
