

Free Roaming Spirits

Good Morning My Love,

So we shared a free roaming life style as children and I suppose as adults in many ways - I bet we will have some adventurers when I get out of here - I know I had plenty as a child and an adult being a free spirit and trusting in my Father God When I was reborn in my Fathers Spirit of Truth - I actually turned my life over to Him and faced the challenge of being un - rightly judged by the people of this world - yet I ministered when called upon - no matter where I was in the flesh and I trusted His instruction of judging the Spirit and not the flesh with a faith in my eternal salvation - I still live that way today as a spiritually mature man - I don't know how many times. I prayed to be relieved of my burden of the cross as the world persecuted me over and over trying to get me to loose faith in no longer being bound by the law of sin and here I am sitting on Florida's death row ministering to you this early morning - smile B-)) My heart knows no bonds as my soul is a free roamer too !!!

Wow - I just shared some heavy stuff with you - so profound in nature that makes up the person you see in me - We have been blessed and I sing praise for having you enter my life and for our spirits to have joined as one Trust in our sojourn of this world that together we are doing our Father in heavens will ! Our bond is real and strong or you wouldn't be reading these words

It seems I am on my soapbox this morning singing praise to you and I hope you recognise our bond as you sing your praise to me for having a spirit reaching above the worlds persecution - Our Father sure does work in mysterious ways ... We are free roaming Spirits and only sojourner's of this evil world - I love you ... One Eagle - XoXo
