

Hello,

10-30-10

I'm not real sure of how any of this works, but I am eager to embrace the use of the internet, and always willing to try new things.

I thought I could start by speaking a little about myself and any and all of you could ask questions and/or offer advice. Please, feel free to ask me anything. I am not shy, nor do I have anything to hide.

My name is 'Olson Reece Miller'. Most non-family calls me 'Reece'. I am a 43 year old (02-02-67) white man. I am 5 feet 10½ inches tall and I weigh 180 pounds.

I have brownish/black hair and dark blue eyes. And yes, I am single. I've been married and have two beautiful, wonderful, grown kids. I love to laugh, love to lounge and be loved.

I'm a fairly clean-cut good-looking

guy from a good family, I grew up NORTH of Houston TX.

I've been incarcerated for 18 months for POSS of METH, on a 5 YEAR SENTENCE. I could be out ~~any~~ any time after Aug 2011.

This is my first DRUG charge ever, but I have been incarcerated before. I am a good person with a good heart. I don't understand where I went wrong or why and how I always end up in trouble.

I'd love to hear from anybody, Everybody out there.

It would be nice to have something to do to help pass the time, especially if I was to gain some insight on my own life and maybe even meet a friend or two.

Thank you
Clay Leece / 1/1/11
