in my room, and reflect on all
that bad choices, I made in life and
have brought me to this room.
I keep on striving and struggling to
become a better man. I know there's
a reason why am here. Am still trying
to figure it out. But until then
I make that best of it. My priorities
come first now. even know fences
get hard. I keep on moving
forward, with everything that
has happen to me, has made
me a stronger person. and getting
this page up, help me describe
my feelings and not feel so
trapped behind this walls. In
some ways, my art. makes me

feel a little freedom, Cause

opportunity to comment. I do

different but please do take that
time to open it up. Read a couple
of pages. I'm just another human
being, that has made mistakes, were
not all perfect. I hope all of you
know what I mean, and read
between that lines god bless

time to at least read this
blog from this prisoner, who's
trying to reach out for some
support of any kind. which
