WHA-HOO! ... well, whataya know! A Blog for prisoners.
Pretty amazing really when you factor in the reality that I've not
once, ever, turned on & used a computer for anything (that
I can remember ha!) Yeah, that's how dumb I am! I'm
being very serious when I say that! But thanks to the fine
& considerate folks at BTR I am now, officially, a
Registered Blogger! That's wild! And to be quite honest,
I've been registered to Blog for like, over 6 months
but b/c I'm so dumb, when they sent me a form
to sign I thought it was an application to fill out
to 'become' a Blogger, but it was to 'begin' my blogging.
So, I sat & pined & waited for a notice telling
me HAHAHA I can Blog! Now that's pretty dumb.
6 months of empty Blog space. Well-lll, people probably
look at my little arena where I'm supposed to.

be blogging & think..." Well, Duh?! What's wrong with this one here?" He must think he's on 'Air Space'. He hasn't said anything in 6 months. Haha! Yeah well, let me warn you, I'm not the sharpest tool in the shed. That's what happened, when they were passing out brains I somehow confused that "Rain" & jumped in the shed... Looking out there at all these dumb people & thinking to myself saying..." Well, why are they just standing out there in the rain?" All these dumb people. Just standing out there looking crazy. And to make it blatantly obvious how dumb I am I've spent the past 12 years & 3 months in Voluntary Confinement. Man, I really feel utterly retarded when I think about that! Just... well, pretty much mildewing in a very small white concrete box for drug possession. My life pretty much a meaningless evanescent vapor fading as the weeks, months & years vanish b/y my eyes. But, I'm hanging in there. I can knock out a 1000 push ups in less than 3 hrs & I know I can probably run 5 miles. I don't smoke, light drinker, or do drugs.

Pg. 3,

But YEAH, Like MANY Hundreds of THOUSANDS ACROSS THE NATION, my "Straw Man" (ME) is being held AS COLLATERAL - FROM - THE ACTIVITIES THAT WERE THE RESULT OF A STATUTORY PROSECUTION. Long Story Really. I You'll HAVE TO SHARPEN YOUR PENCILS IF YOU'RE TRULY INTERESTED IN ALL THAT CRAP OR - TOO, JUST LEAVE A COMMENT. I ENJOY THE OPINIONS OF OTHERS. AND I'll BE SENDING ADDITIONAL EXPERIENCES, PHILOSOPHIES (MANY RARE & UNUSUAL) VIEWS AS I BROADCAST MY PECULIAR BRAND OF IGNORANCE TO THE WORLD. I MEAN, C'MON, WOULDN'T YOU HAVE SOMETHING RARE & UNUSUAL TO SAY AFTER 12 YEARS OF EXTREME SOLITARY CONFINEMENT? I mean. Well, THANKS FOR STOPPING BY! I'm CERTAINLY INTERESTED IN YOUR SUGGESTIONS, COMMENTS OR WHATEVER. ALL NERDS WELCOME! LOVE THEM NERDS! AND DEAF PEOPLE! (I KNOW SIGN LANGUAGE. - THAT'S HOW WE COMMUNICATE BACK HERE IN AD. (EG) INTELLIGENT PERSONALITIES INTRIGUE ME. SO C'MON W/ THAT SMART STUFF! I NEED ALL THE HELP I CAN GET IN THAT AREA!
