"Take a look for Yourself"

Sir, or any interested Party,

I want you to see with your own eyes an active model of this idea I've had since 2002.

It looks like students at UC Davis beat me to Manifestation, Damn!! Go USA!

Please contact professor Sid England on the Campus of UC Davis, and request a tour of what they are calling "The West Village".

This is proof that this idea can work, so please ask Gov. Brown, A.G. Harris, and the energy dept. Reps, and the Director of CSER to take the tour with you ~~so~~ all of you can see, and do a Q&A with Mr. English.

Go online, and check it out before you invite the others. Enjoy the tour. I was laughed at in 2006 by unit staff about this idea. UC Davis has now given you a visual to bring ~~an~~ end to the laughter! I've seen the roof tops of this Prison, OMG, how are we not doing this?

Sincerely
Smithy
