How IS IT?

How is it a Elderly man that lives
Above m2, His cell is broken into and His
Locker emptied of his belongings and nothing
was done; when His Neighbor was "switched on"
?? ? ? ? ? !

SO This is Prison, Right?

How is it Last night a Elderly man
was assaulted, Slapped of his stool for turning
A fan off. He can barely walk and has
Cancer in a room full of people and no one
says a word ! ! !

This is After All Prison, Right?

How is it a man who switched on the
first guy was and has been harassed by
The staff because of his sexual orientation
because he told

This is Prison, is it Not?

Just BECAUSE I'M IN PRISON, DOESN'T
MEAN I HAVE TO BE ABOUT PRISON!

IF YOUR NEIGHBOR'S HOUSE WAS BEING ROBBED, YOU'D
CALL THE POLICE! RIGHT!

YOU KNOW YOU'D DO WHATEVER YOU COULD
TO STOP THE ASSAULT OF AN ELDERLY MAN, WHO
WALKS WITH A CANE, AND YOU KNOW HAS CANCER.

I KNOW YOU WOULD! YET IN THIS
WORLD, YOU BETTER NOT OR ELSE!

WHEN AM I OR WE GOING TO CHANGE?
NOW, WHILE WE'RE IN PRISON OR WAIT TIL
WE LEAVE HERE TO STOP ~~ROBBING~~ ROBBING OF
ASSAULTING PEOPLE. I KNOW IF I WAIT
TIL THOSE DOORS OPEN I WANT CHANGE
AND NEITHER WILL THEY.

HOWEVER, WHEN THAT IS CONDONED BY
STAFF AND PEERS WHY CHANGE?

OH YEA, DID I MENTION A STAFF MEMBER
WAS THERE TO SEE THE ASSAULT, HOW COULD I
LET THAT SLIP MY MIND. UMMM!

THIS SUCKS!
