Fatimah,

I~~x~~ recieved your post late due to a misshap with the mail so for future refrence you can just write me directly here at the prison. I'll have to be honest...I do not remerber you:(You'll have to write me, send some photos, and explain to me where we use to hang out, do , go etc. My family ties right now are very small but I'm always open to the idea of growing them. I did take a dark road in life and landed in prison but I've matured in here and grown into a very solid man.

I will be out soon and more likely than not will be staying in L.A. Please be no stanger and I look forward to seeing what type of woman you've grown to be. Take care cuz and write me dire ctly at thi adress:
