SAH,

I apologize about the delay in my responding to your reply. All of my responses were sent to my old address and I didn't get them until they were ~~response~~ returned to BTW and then to me. I guess that's why I prefer for people to just write me directly to avoid any mishaps.

It is very good to hear you are doing o.k though...I was beginning to worry about you out there :). I'm doing o.k myself. I'm mainly waiting to go to this program that will allow me to get out early next year. I'm sure you know from reading my blog that I've been down over 10 years and I'm anxious to get out and pursue my dreams.

I will be on the look out for your mail and please be sure to send it to the right address:

Takecare my friend and may peace be no stranger to you and each day your blessed to live.

Respectfully,

Marcus

P.s SAH...no Jpal in my state but try Snailmailr.com or better yet just write me directly cus I'd love to see a photo or two of you to place a face with your correspondences. Take care :)
