Wind's in the East  
Mist comin in  
Like somethin is brewing  
about to begin.

Can't put my finger  
On what lies in store  
But I feel what's to happen  
all happened before.

Hail the Gale Force.

What's it been Tom, near forty years? How in hell did you recall my last name to search in the web? Tell me, were you surprised to see the trail I left there in Google's web? Indeed there are no mistakes, but you must agree... there are many options. And yea, a little knowledge is a dangerous thing, especially when the demagogic Merchants of Chaos focused my attention on my mortal enemies of Tyrants and Cowards — without expounding upon the Eternal Law found in Deut. 28, expressing that People generally get what they deserve, where Government is concerned. Foolish me, I really didn't grasp that until my epiphany on the very eve of my explosive exit.

Thank you for daring to show me your vision of the Cracking Crust. I cannot dispute the cycles of Nature, though I do question the signature of Michael D. Archangel, including that precariously ominous D. suggest of D Archangel. Interesting. Michael, I'm sure you know, means: "Who is like God" ~ El, in the plural sense being God, means Mighty; strength, hence - anything strong. I really do wonder how that vision has affected your life, Beloved of Yah.

Now you'd think there must be a preventative message somewhere instructing us to leave the oil pockets in the Crust's suspension system be left alone to remain as the Creator's intended, wouldn't you? The only place I see mention of Bitumen is there in (Genesis 6:14) w/ regard to the Ark. Coincidence? Perhaps this is why there is an International Space Station (ISS) Ark in the sky now, eh? It seems an iron clad irony, doesn't it? But back to you old friend, how does this effect your present condition of existence, pray tell.

I appreciate references to Matt. 6:23, but look at verses 1a to 23 for perspective and you'll see the Heart's Desire is manifest where ever we focus our attention. Therefor we must be careful how we see the world — wouldn't you say? So

again, I just wonder how that vision of the Crust has impacted your perspective of The Present, called Life. Don't say it hasn't.

Okay, it seems to me that you've mistook Romans 2:29 to be that of Jeremiah 1:5? Yup, Temples we be of The Eternal I AM. But regarding Morrows prepared ... with all the options, I've my Eye of Providence set upon Hebrews 11:5/6, as I nonchalantly pick up a few twigs at the East end of the proverbial Garden toward that Flaming Sword, behind a sign which spells out

## TO UNDERSTAND ALL IS TO FORGIVE ALL

Wow! Imagine that; From the Tree of Knowledge to the Tree of Life, all in the self same garden. And I can see the Flaming Sword beacon me to Glory. Imagine that. Who in this world dares to understand and to forgive all? Wow!

Hey, how are you with accepting challenges? I wonder if you'd dare approach that treacherous figment of FEAR (False Evidence Appearing Real) along with me. The very definition of the CHERUBIMS forbidding our access to the Tree of Immortality, believe it or not ... Cherubims are merely Imaginary Figures. So that makes the flaming sword, what?

But back to the Here and Now, I'd like to ask you to do this (attached) CORE VALUES ASSESSMENT, and briefly express how you'd like to apply those values in this life you have. Would you please? I don't care what 99 of 100 see in you, I want to see what you see.

Also, I'm very curious about how you are able to comprehend the occult matters reserved for those in the desert places of Solitude. By occult, I mean literally: [L occultus, to cover up, to conceal]. 1: not revealed; SECRET 2: not easily apprehended or understood. Okay? How does your discernment of nature influence your life? Our 'Morrows' develope from the Seeds of Thought we plant today. The future depends on what we Think and Do in the Present.

Be blessed.

### Home Study Exercise

Create a daily action plan for your life by completing the form on this page.

Using the Value exercise which you did in class, choose and record one or several values for each area of your life. (For example: Physical Values: well-being, prosperity, nature)

Decide how you can express these values in your daily life and fill in the "Action to Take" steps.

Note: Occupational values are not just about a job. They are about anything which occupies your time on a regular basis.
