Hello out there in cyberspace.

Is anybody out there? It seems like forever since last I received a print-out of any messages left on this site. Did I miss the rapture? Hello, is anybody out there?

Anyway, look y'all... after 16 yrs in this hell hole Prince Charming awoke me with a couple visits earlier this year - and now I'm expecting more visits from old friends I grew up with. Awesome!

Mike, my boy... you mentioned sending me your address, so shoot it son. Ya say you're a spittin image of me at your age? At yer age, well - my friend Rick (a strait citizen) will certainly recognize you then. He is wanting to visit with you and yer siblings while he is up here visiting me... will you help manage this? Do you have a phone number/email I can give him to contact you. Once you shoot me an address, then I can send you a Visitor Form to fill out and send in to get approved to visit as well. It would be nice to get yer siblings to fill out a form to get approved for visits too, so I will send you a few extras to give to them.

Will... Yash... Destiny, are you seeing what I'm saying? Your mom met Rick in Long Beach, so I'm not sending a stranger there to meet y'all. Wouldn't you like to meet someone who knew me and my sisters and our mom and dad, from back when we were your age? Rick is a grandpa, coaching soccer teams and such now a days, so I trust him to meet you all and answer any questions you might have.

All my best. Be blessed.
