Dear Saeguan,

Thank you for your sweet comments and encouragement! 😊 Yes, i definitely am a Gender Rebel... i wake up everyday as my own unique and fabulous Self, not your average everywoman but a Queen! Enclosed is a poem i wrote to all the haters in this sick and twisted society, to all the fascist pigs and imperialist mercenaries, to the misogynist and homophobic bullies who think they are so tough, and especially to the racist boneheads and gunwaving, school shooting idiots!

My poem is simply entitled —

"Don't Hate!"

Much love & respect,

Jennifer Gann
