

WHAT'S UP IN OUR GOOD  
OLE USA!!!

"ON that topic, what the hell is  
going ON with YOUNG AMERICAN  
MEN."

What do you mean?

We'll ask the question here. I  
mean every where you look,  
men are doing horrendous things -  
like the kid in California who  
killed all those people in Isla  
Vista."

We'll broaden the UNIVERSAL QUEST-  
ION here.

"LONE STAR CRAZY

IN today's Texas, which is fall-

ING INTO THE HANDS OF GUN NUTS,  
border-sealers and talk radio  
Charlatans, George W. Bush would  
practically be considered a com-  
munist. BY MARK BINETTI. Rolling  
Stone. JULY 3-17, 2014 (RS 1212)

These days are reminiscent of  
the 1960's when JFK, Malcolm X,  
MLK, JR. and RFK were blood-  
ily assassinated - one assassi-  
nation after another.

THEN THE QUESTION ASKED: "IS  
AMERICA SICK"?

picture this the spectacular  
group photo blasted Universal Wide  
of President Barack H. Obama  
Secretary of State Hilary Clinton  
Secretary of Defense Bob Gates  
and other various important  
officials after the assassinat-

ion of Bin Laden.

This slight - rather SKINNY Black man was the ONLY Black man among them - in that situation Room.

Please keep on following this:  
VP Joe Biden is white!

At the time the Senate was ALL-White. Certainly, Sen. (D. Nev.) Harry Reid, Majority Leader, is white!

The U.S. House Majority Leader Rep. (R. OH) John Boehner, MR. Speaker is white!

The Military Joint CHIEF OF STAFF are all white!

All of our United States Governors (Commander of their State's National Guard) - minus Massas-

achusetts, are white!

Yet, the Tea Party, America Pat  
riot, Hank Williams, Ted Nugent  
and others are of mind - the mind  
that ONE SKINNY Black man took  
over our country, and mind you -  
without firing a single shot [  
Heard around the world!!].  
And they must take it - take back  
our country from "Obama"!!

Mr. Binelli, report, on p. 54, 2d  
"one of the Lieutenant-governor  
Candidates, Texas Agriculture Com-  
missioner Todd Staples ran a Tele-  
vision add [ad] in which he de-  
clared, "Mr. President, you are not  
a king and Texas how to NO ONE"  
followed by - chillingly, by footage  
of Staples hoisting a rifle at a  
gun store.

FURTHER, ON P. 55, MR. JERRY PATTERSON, 67, ANOTHER LOSING CANDIDATE IN THE PRIMARY, IS QUOTED SAYING: "THE GOP" GOT DUMBER THAN A ROCK", AND P. 56, "YOU HAVE A BUNCH OF ANGRY FOLKS WHO ARE; FRANKLY, ANGRY FOR GOOD REASON, BUT THEY ARE ALSO VERY, VERY GUILTY," HE SAYS GLUMLY. "ALL YOU GOT TO DO IS SAY CERTAIN PHRASES AND WORDS. FILL IN THE BLANK CLICK-É- AND THEY 'RAH-RAH' AND APP-LOUD AND YOU'RE THE MAN." SECURE THE BORDERS. 'NO AMNESTY' 'BUILD A FENCE.'

IF THESE UBER-ARMED WHITE FOLKS, OF THE LAND OF BRAVE-BELIEVE THAT ONE UNARMED SKINNY BLACK MAN TOOK AWAY OUR COUNTRY FROM THEM, IS IT ANY WONDER ZIMMERMAN IRROT-

ionally believed that unarmed  
SKINNY BLACK [... FILL THE BLA-  
NK !!!] male-child TRAYVON  
MARTIN would take away his  
Neighborhood.

By the way, this blogger Postu-  
lated Mr. Elliot Rogers, Mass  
Murder, Isla Vista, CA, - IN  
that case there was NO PROOF  
presented of him actually hitt-  
ing ON a "Real live girl." Mr.  
Peter Rogers, Hollywood, Movie  
Director, never mentioned one  
in recent ABC - COM Barbara  
Water's interview.

These fantastical irrational  
abstract notions ONLY exist IN  
"Group Think minds", and "  
"Psychotic individual heads" !!

Is there a Doctor IN our  
Country !!!
