Dear T.L.'s Lady,

Some important information for you; the case against T here is in retaliation for your relationship with him. The Law Library clerk was over in the Programs Building, where the administrative offices are, and observed and overheard Lt. Bishop "high five" Mental health worker "Beth" and state, "We finally got that piece of shit Lucas." Then Captain Hebert came out of his office and said, "I'm buying tonight." They had a great laugh and the Captain was heard stating, "He won't be betaing this one.", while the Mental Health worker Beth said, "This won't bode too well at his parole hearing." The bottom line is that T did nothing wrong and this is a set up. They knew full well his non-involvement but now plan to crucify him. My suggestion is that you contact Attorney Patrick Troy for help. You can reach him at;

Patrick M. Troy  
Attorney at Law

Pat can help out for short money; T is going to need to beat this one. Let me know what else I can do? Please contact me directly via U.S. mail so that we can communicate on this. I am,

Sincerely Yours,
