

Growing Pains

Growing pains,
Range,
From small things,
To migraines,
With no name,
Shame to claim,
Everything,
You blame,
On others,
Even your mother,
Smother,
Your faults,
You brought,
Never to a halt,
Drinking your malt,
Slowly through your thoughts,
Lame,
As you ride a train,
Dame,
Damn,
Damages,
You manage this,
Balloon of growing pains,
Your damages,
Not inherited,
Carry these,
Leaves,
Of pain,
Growing in vane,
Veins sprouting all over your brain,
Strain,
Like wax,
All over your body,
Who knew,
Growing pains,
Would be in everybody's view?
