

prayer 12-5-14

Dear Heavenly Father God,

1st & 4 most I find myself in most desperate need of your divine forgiveness. It's only going on 2pm & I've already sinned against you at least 6x's (that I can count) Surely I'm trippin'. I sense your voice, a still small whisper tellin me I'm "forgiven". Thank you heavenly Father. I needed that. Amen. God I'm defeated & fighting a losing battle without you. So I'm humbly askin 4 your help to keep me ~~from~~ from my sinful nature & evil propensities & human inclinations. I confess that you alone are our victory 1st Chronicles 29:11 So I'm askin - prayerfully - 4 you 2 keep me from other hours of temptations that will present themselves 2 me on the rest of today. So be it (the definition of Amen) [the Lord do so] I confess that my eye wanders at times. Oddly enuff it didn't wander this much on the street & I was 18 back then. Yikes, truly being single & away from women has further led my eye astray. What am I 2 do? I 2 no idea so I write this seekin your strength, help, & courage to not turn to the right or to the left. I know that you in your divine wisdom will bless me with an Eve that's as wise as Abigail, & as loving of your 4 as Mary, the mother of Jesus. Amen. Thank you in advance.

God I also need your forgiveness 4 not talkin 2 you as much as I should/could. - Anel I cry about not hearin from my only previous child - Priska. In my 4 of 4's I want 2 hear from her everyday - but that's not yet possible. But I know it's possible 4 me 2 speak with her everyday. Amen. I 2 ~~no~~ no good reason 4 not talkin 2 u more often, especially at night - just I be tired - interestingly enuff I still don't get sleep at night. Yikes. God I need help 2 do this, the devil at me in the worse way tryin 2 prevent me & you from ~~talkin~~ talkin. Sometimes I just be so busy workin so hard 4 u, tryin 2 buy ~~to~~ you a house & give you the finer things in life! But it clawin on me - you have all these things & then some - I be droppin. Sorry. I tend 2 B a stay at work Daef. So busy tryin 2 provide that I don't spend enuff time with u quality

come w/ you. Just in the quiet. hear in your lovely voice  
I feel 2 B busy-busy-busy like I can earn your affection  
though I know I already 1/2 it simply ~~cause~~ cause you  
R cool & cool's love. Amen. At the level of a Super  
Busy Day I feel 2 hot the way - without speaker 2 you  
- yikes sometimes I just be like, 'cool can I just get some  
some sleep - I'm tired. Truly were spent enough time together  
already delay. It's been 2 hrs. I just need some shut eye. At  
other times I listen 2 music do the spending time  
with you, & do just relax how I want to - 2 that  
was honest. Cool you have 2 fix me. The devil got  
me "feelin" mad at you - Cool you just 1/2 2 help me  
get over these "feelings" feelings that have me mad at you  
cause I'm still in prison, mad at you cause I ain't seen Prosha  
in 2 yrs, mad at you cause of my callin/ life purpose. Mad at  
you cause I'm in RGLP. Mad at you cause I'm still single  
(& rightly so) Mad cause the TV studios such... must mad 2  
B mad. Cool help I knew you good but just intellectually  
but in my 1/2. Amen My blessed state shows me how good  
you in fact R. Amen. Even today U were good enough 2 let  
me see a man - play with her kid on a visit - this brought  
joy 2 my heart Amen. U good enough 2 allow me a 2nd  
chance 2 have kids again & do it right this time.  
U R good enough 2 bless me w/ free attorneys, net for  
members local friends, a blog, writing talent, speaker gifts,  
electronics, clothes, a daughter, eyes 2 see & ears 2 hear, &  
pastoral visits, an extra eye 1/2, pen pals etc. Cool enough 2  
bless me 2 B clothed in my right mind. Thank U that I'm  
competitive enough 2 let things go - 2 not cheat, 2 not  
duss, fight, ~~argue~~ argue or even care about win'n or  
lose'n. Cool help me here on those who aren't there  
yet. keep in mind in areas of my life I'm not there  
yet. Speaker of competition. Cool I bow before you  
seekin wisdom about playin basketball this season  
or not. sometimes I want 2 sometimes I don't. If  
it's anything like rec - don't think my spirit can bear  
it. Even so - If it's you will for me 2 play. which  
league would you 1/2 me 2 play 4? A? or B? Do I  
even 1/2 the time 2 commit to such a project?

meanwhile I sits PRC comin up - & I have no idea what 2 recommend. I would like 2 go 2 Dodge but at the same time I don't know what's best 4 my life or 4 that matter. I can say workin in the infirmary got my attention every since Mike had mentored it 2 me out the clear blue way in like 2012, 2013. More so when Big Mike give me Peter Adams info who works there. Even when the Social Worker asked did I want 2 leave ever her usual "I recommend u stay here." Plus the single cell has my attention. me & myself get along just fine - most of the time. (smile) Meanwhile I think workin in the hospice program would do wonders 4 my battered 2. In this 2 of mine, I ~~struggle~~ struggle 2 get away from this prideful, bitter, angry, vengeful, jealous, envious, LOW, stress-ful over-crowded, borderous, silly, vickend etc. "Seein I'm inwardly built I think a more quiet laid back environment would work wonders 4 my 2. I think being around death & dyin would be the most humblin & spiritually renewing experience I think the care giver experience would help prepare me to be a father, husband, pastor, & servant of the community. I think bein ~~there~~ there would be the breakthrough I need 2 get my 2 in further order. The osmosis of PRC is takin a toll on my soul, vexed daily by the things I see & hear in (surely u can hear the madness thins takin place outside my cell right now). On how my 2 & soul fears 2 B blessed daily by what it sees & hears. Plus fear words says "its better 2 B in the house of mourning than in the house of mirth. Amen I think I see u more when I'm in a single cell / by myself. would like 2 return 2 Jahn walks with in the cell. (Remember those?) Plus I would like 2 just get space / room 2 breathe, relax 2 let my 2 breathe. 2 Re-breathe the 2nd word (come on Holy Spirit) 2 maybe be mentored! 2 B under the radar so 2 speak, 2 somewhat experience i been a Dr., time 2 prepare 2 be groomed 4 ministry. God thank u 4 my Avelid trip 2 Dodge last month. Thank u 4 allow me 2 see that man on the journey. Cidly enough that scene did somethin 2 my 2. God I had the idea of writin the warden & givin him or her my testimony & complete wishes. But I'm sure it dis year will 4 me 2 B there. You's an even better idea 2 bring this about, afterall what do I know -

But 4 all I know you can 1/2 an even better idea  
in store 4 me: because "eye has not seen nor ear  
heard nor has it entered into the C's of men the  
things God has planned 4 those who love Him." Amen  
(1st Corinthians 2:9)

God thank U 4 waken me up at 5:15 this morning (126)  
& give me a peaceful night's sleep, though I did stay up 2  
roughly 12am. God thank U 4 protecting the time we spent  
together, 4 keepin people from comin 2 the scene & keepin  
me from forcin myself & my company onto others. Amen.  
Thank U 4 allowin me 2 hear my name mentioned. Thanks  
4 showin me a way out of the temptations 2 B prideful &  
egotistical & allowin me 2 "hide" from those who would  
bump my head up. Praise God. God on today I ask that  
U graciously guide my path (Jeremiah 10:23) cause I  
1/2 no idea where 2 B or even where 2 sit in the chawhall.  
(there levels 2 B - seats)! I would like 2 play ball at 8:25  
& go 2 the library at 10:15 - then catch some Badgers basketball  
& Badgers football. That's all I got besides readin my Bible  
& maybe further revising Urban Proverbs! or writin that piece  
that only God is your friend. God as breakfast clowns upon  
us I ask for the strength & the discipline to eat - just  
enuff sugar. Today it seems I been pig'n out,  
especially since honey buns & bunnies are Oh so delicious

God here's some advice that I need. Yesterday when  
I was been visited by (U through) Dennis, he asked if I  
was writin for was asked 2 write a skit 4 X-mas  
well, I wasn't yet it has been on my C?. So I'm askin - do  
I write one? If so - when? I already have an idea about  
the scene, characters, & overall message but I surrender it  
to you cause U R fully able 2 give me an even better  
idea. Amen God I humbly request the strength & courage 2  
write from the C (Ur C) & not 2 impress others. Amen  
2 not try 2 win souls with ~~any~~ enticing words of  
mens wisdom (1 Corinthians 2) Amen. God I also know  
that U, being the best author, can help me / mentor  
me 2 write better. Truly any writing talent I do 1/2  
comes directly from U. Amen. I know it is Ur

prayer 3

will U can allow these plays & shifts written by Ur  
hand through more 2 B published in book form &  
reach a wider audience - particularly my daughters  
generation. I know also U can - if it's Ur will - pen  
a classic us in my hands. which I'm most graciously  
humbled by. Amen. God helps me stay focused  
on pursuing U as the ultimate goal in life  
(Seremwah 9:23,24) cause U R love  
(Deuteronomy 30:19,20) I must B a man of  
God 1st, another 2nd. Thanks 4 delivering me  
from actively pursuing pride & ego & ministering  
4 filthy lucre (\$) Amen In Jesus name.

God I pray wells, Johnson, & Smith will walk in forgiveness  
streeter 2. that they might not fall into the snares of  
the devil. (2 Corinthians 2:11) I pray that God will 1/2  
dominion over ~~them~~ them (or me). Spoken of. God  
let me know if I should go 2 lunch - at this point I'm  
thinking not so much.

God please help me to find & make time to write  
so I can love out my callin & introduce others 2 U.  
Amen.

God I pray 2 see my daughter when it's the  
perfect time & season in Ur wise eyes, I pray  
that day will be a blessing 4 both of us. Just  
like last time. when U used me 2 pray 4 her. ;  
so U could deliver her from depression & show  
her the power of prayer as she's admittedly  
been prayin more & allowin U 2 B Lord of her  
emotional ~~we~~ & spiritual well being. Amen.

God thank U 4 being my lawyer in the courtroom (I've  
LAP) All I can say is - Your will be done - I - of course  
been human & all knew what miracle I want but who am  
I 2 tell U how 2 operate. Like I'm Gods god!! Yikes I just  
confess my guilt; my wantin 2 go home & just experience  
life as it was meant 2 B lived: with love; U gotta  
♥ it. Cause I don't deserve it so I really confess

Ephesians 3:20 over the entire situation, whatever happens may I give U all the honor glory & the praise Amen.

God I got parole coming up - God willing - in like 18 months, question - would it be cool/ok for me 2 conduct some fashion, in particular - shoe company's - & show them some of my work as a way 2 possibly secure a decent payin job or even be able 2 go 2 parole & say "look here's a letter from (Mike, Adkins etc) sayin they'll hire me or let me intern ~~or~~ immediately upon my release" Could be my ego trippin 2 earn my way out, but U'll let me know. In my c? I want to contact Raymond Schn - U know who he is of course; I feel like he gets me & after all I was a customer of Publi [smoke] I think he would appreciate my designs & color schemes & my marketing/brandin ideas; not 2 mention the fact that I have no formal trainin w/ CAD or fashion trainin or schoolin (cert of) or any real hands on knowledge of manufacturing. I think he'd appreciate my hustle & respect my ~~grind~~ hopeful grind though I once viewed the future as - bleak, but now U oh God are in my life & things R pickin up (Romans 4) so though I 2 every reason 2 B hopeless - I'm HOPEFUL (smoke) God U blessed me w/ this fashion talent so I graciously surrender it back 2 U like the small boy with 2 small fishes & 5 barley loaves. I know U can use it 2 bless 5,000 as U see fit Amen. God I pray a hedge of protection around the purpose U which U blessed me w/ this talent in the 1st place Amen. If it's more than a hobby - used 2 comfort me durin life then U'll let me know; if it can be turned into a career/job 2 feed my family & support the writing ministry U blessed me w/ U'll ~~also~~ let me know In Jesus name Amen.

God thank U 4 humbling me at mee & allowin me 2 take myself out the same in the beginning.
