

the domestic united states of
america government counter
intelligence program against
domestic opposition is a block
against broad race & class
solidarity with in domestic
social justice demographics, there is a
concern within certain domestic
social justice demographics about the
race & class weakness of certain
other domestic social justice
demographics, & this also is a block to
broad race & class solidarity in
domestic social justice demographics, i
have been in six prisons since April
2015, & its been several weeks since
i have gotten mail, i continue to try
on organize, so please write me at,

the domestic united states of
america, overt, covert &
clandestine, race & class
conflict, militancy &
extremism, has fallen short of
any real tactical or strategic
victories, but it has
demonstrated a direct action
network tendency, of
individuals & small groups,
whether these are very
consciously networks or not, the
broadest of these networks are
working poor class extremism, i have
