I see you're busy @ it w/ our transcriptions! :D

Now, I'm wondering about something - if you can verify this for me... because I had sent this post as a "remove & replace" for the PAPYRUS COLLECTIVE GROUP BLOG HOMEPAGE. THE CURRENT 2012 INTRODUCTION IS OUTDATED, SO MY QUESTION IS: HAS THAT 2012 POST BEEN REPLACED W/ THIS POST AS WELL?

THE PAPCO BLOG IS A PRIORITY OF MINE SINCE I'VE RE-FOCUS'D MY ATTENTION ON BRINGING PAPCO & WODZ PROTECT TO BTB AGAIN. ACCESSING & POSTING MATERIAL ON THE PAPCO BLOG IS NOW IMPOSSIBLE FOR MYSELF AND OTHER REGISTERED CONTRIBUTORS TO DO. WHERE 'DS BEFORE NOW, WE WOULD ONLY HAVE TO PRINT "GROUP ID" WORD: PAPCO @ THE TOP OF OUR POST, AND THAT POST WOULD BE PLACED ON BOTH OUR GROUP & INDIVIDUAL BLOGS. THAT'S NOT HAPPENING NOW.

SO ANYWAY, I'VE RECENTLY WRITTEN A LETTER TO CHARLIE DEER @ BTB ABOUT CORRECTING THIS ISSUE IN ORDER FOR ME TO GET THIS GROUP BLOG FEATURE UP & RUNNING W/ SOME NEW CONTENT & CONTRIBUTORS - INCLUDING OUTSIDE BLOGGERS (LIKE YOURSELF) AS PART OF THE PAPCO GROUP. I EXPECT A RESPONSE SOON. I WILL KEEP YOU'LL POSTED ON THAT, AND, MAY NEED YOUR HELP/INVOLVEMENT TOO.

I'M GLAD THIS IS TRANSCRIBED THOUGH! GLO. I'VE SEEN SOME OF THE OTHER STUFF TOO. JUST WAITING FOR THE \*(RID:\*) FROM BTB TO COME IN THE MAIL TO GET BACK @ YA.

Waire Dr Die!
