Dear Peta,

Esteem greetings. I just got my hands on your "Animal Times."

A friend of mine's was so kind to let me check it out. This is my first time reading Animal Times, truly an enlightening magazine.

Before I continue, I will like to thank Peta for the extraordinary work peta is doing for our beloved animals. I have admired Peta's work for a very long time. I am honored to be able to express my admiration for Peta. Clearly, I am a profound animal lover. It brings me joy to know there are people fighting for the ethical treatment of animals. Thank You Peta!

I wish I could do more for animals, but my confinement obviously limits my ability. However, I do what <sup>I</sup> can to protest the unethical treatment of animals. Which is the reason I am a vegetarian! I have been a vegetarian for a little over 3 years. I can not eat our beloved animals if I do not have to. I want to become a "vegan", but you must be financially stable to be a vegan in prison. Being that I am indigent

I would literally starve. This is unfortunate, but I will continue to support and do what I can for the ethical treatment of animals.

In conclusion, I will like to know if I can somehow become a member of the Peta family? I am indigent, so unfortunately I am unable to make any contributions, but I would love a subscription to Animal Times, and to be introduced to the Peta family?

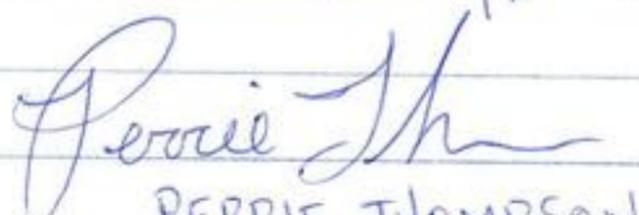

Thank you for your time! You can learn more about me at my website, <http://betweenthebars.org/blogs/4050/>

This letter appears on my blog as an open letter, as I wanted to publicly thank Peta for their extraordinary work.

Thank You!

stay Prayed UP!

Sincerely,

  
PERRIE THOMPSON
