Dear Deenuno77,

Hello! I am well and now at MCI Norfolk. It also saddens me that folks just don't get the restorative power of justice tempered with mercy. Such anger and hatred will not move us forward, but that is why folks like you and I do what we do.

I would like to speak to you face to face about B's situation and the work. I see you playing a role in the process and hope you will agree to help out. If you can please come out here to the prison and meet with me. Also, if you have an email address please provide it through the mail and i will have my communications coordinator get in touch, but I would really like to speak to you face to face.

I do hope to hear from you soon. I am,

Truly Yours,
In Struggle,
