Dear Julia,

Glad you liked the photo! Are you interested in the project? Please let me know if you would be willing to visit a prisoner who does not get outside visits? It is a great project and helps to heal broken men and women.

Would you be willing to do a little internet research for us from time to time? Nothing too labor intensive, just gathering addresses and short reports. It would be a huge help to the work we are doing here right now. Please let me know? You can always write me directly at;
