Dear Deenuno77,

Wow! You took my whole suggestion the wrong way. Sorry I was unclear. Of course I DO NOT want a visit with you for personal reasons. I felt it would be the perfect opportunity for me to tell you, in confidence, about a serious situation which would negatively impact Bryce. Again, sorry if I was unclear and please don't let this ASSHOLE "Paul" the Coward twist what you know about me. You were part of the Family Reunification Events I organized; that is who I am - you know that. Internet trolls like "Paul", in between pretending to be a 13 year old boy on www.nambla.com, spend their lives trying to derail good work and brainwash people with their lies. He makes his living off the misery of others, thinks he is a quasi-psychiatrist, and should evaluate his passive/aggressive cowardice disorder.

Please accept my apologies for not being clear and know that I am here to help, never to hurt. Let Bryce know. I am,

Respectfully Yours,
