In response 2 "Nickjack" latest derogatory comments -n- false accusations of me.

what we have here is a classic case of mistaken identity on both parts. 'He' thought I was someone else N I thought 'he' was someone else.

Upon his contacting me (initially) he mentioned how he ain't 4got about me -n- love me like a brother etc. The words he used were not unique 2 my CF. Reepke tell me the "love me like a brother" all the time. I've also heard the "I'm gone look out 4 U" line. When "Nickjack" said these words I assumed he was a "Nick" I knew. I been down 20yrs -n- have done time with countless "Nick"s since 1997. That been the case, since day one I began 2 pray 2 God "WHO IS NICK" As I awaited I responded in kind so as not 2 B rude, especially after the tragic news of his mom passing. "Never did it occur 2 me that this could be someone who didn't know me. I thought it might be but dismissed the notion based off the TRU FACT that my PICTURE is on the 1st page of the blog

So know way someone can mistake me 4 NE I else. Guess I was wrong. I'm not internet savvy but I figured one had 2 go through all my postings just to make it 2 Leah Smith which was posted October 25, 2016

NE way let the record reflect I made no attempt to hustle /swindle NE body I merely responded 2 what was presented 2 me. Amen. I never pretended 2 know Debbie. I assumed it was a girl he met when he got out. I never asked 4 \$100 a month. Believing he was a "Nick" I knew I send \$10 a month would be sufficient if he was 2 send favors.

Also "Nickjack" mentioned in his last post "I can't find U at dat address when I look it up" That's what told him I wasn't who ~~he~~ he assumed I was. Amen.

I'm glad I use my middle initial "J" when corresponday otherwise imagine the rage "Nick" would of felt ~~to~~ sending the wrong person ~~to~~. Meanwhile my name is on the blog so is my address, so as 2 further prevent mistaken identity. Later "Nickjack" seen this -n- confessed me -n- his guy got the same name (what R the adds) but I'm not his dawg.

So his slander is unfounded. He is blaming me because he didn't do all his research 1st. So he accused me of swindling people etc. He accused me of beg'n but a careful analyzer would reveal differently.

Lastly - the devil is a liar.
God's truth will prevail

All is 4given ^{to} God is my provider ^{to} Exodus 3:20-22 which I read 2day reminds me that I will leave prison Blessed

A midst this mishap there was good. See God used this mistaken identity episode 2 allow me 2 minister 2 someone in Miami, FL who needed 2 hear God's word. Amen -n- Amen.

That been said GOD BLESS

PS, like isn't all about \$, cars, houses, baby mammals, prison, or the like. Amen. All those material things "die" unlike my Lord -n- savior Jesus Christ who is alive 4 ever more. Pray 4 these young men 2 allow Jesus 2 introduce himself 2 them. Amen.

Psalm 105:14,15 gives me peace of mind
