"1922"?

Is that a book, or one of his short works?

I'll put some feelers out and see about procuring a copy. I appreciate the recommendation.

Usually, I'd have a friend order it for me from Amazon.com, but for some reason, the prison no longer allows us to get books from Amazon. It appears that some gang-associated fraudulence has occurred, on a few, isolated orders--getting drugs in via Amazon orders. It's just Amazon though (temporarily suspended), we can still get both softcover and hardcover books and/or textbooks from any other reputable book company. My favorite is www.HamiltonBook.com (if you don't know about them, check them out, and let everyone know--it's a cheap source of overstock and outdated books, textbooks, DVDs, etc.).

Have you read any of Haruki Murakami's works? (e.g., *The Wind-Up Bird Chronicle*, *Kafka on the Shore*, *1Q84*, etc.) "1Q84" is the one I haven't gotten a hold of yet. But I've read "*The Wind-Up Bird Chronicle*" twice. It's a favorite. The writing is a little odd at first, but once you get the hang of it, it's pretty addictive.

Again. Thanks.
