Dear Mrs. Jaime Beth Shirley-Mahaffey,

I really wish that I'd known this was you that left me this message last year. I thought that you'd moved on and forgotten all about me, and here you were, all along ... still loving me. Missing me just as much as I missed you.

You're amazing.

And I will love you forever.

My Loving Wife.

Love always, your husband,  
Mr. Johnny E. Mahaffey
