

Today is June 17, 2021.

I was just called to a meeting with
LT. Sam Robinson, Public Relations Officer
at San Quentin State Prison.

- #1. He said that he will try to
get our Twentieth Sound Mind Streamer
disc on this week.
- #2 He said His Media Center Mainline
Crew is working on adding captions
to our SMS Content.
- #3. He said he submitted our PRIDE 2021
SQ News report to Media Center
editors for a forthcoming feature issue.
- #4. He said He's Working on another SMS
disc from our Volunteer Content Donors.
- #5. He asked if I would come and
sit and meet with several Mainline
General Population LGBTQIA+ Identifying
Inmates, to which I said, "YEP!"

#6. I gave Lt. Robinson our
Poster Child version of The
Sound Mind Steamer Icon
to be plastered up on the
walls of SQ Mediz Center
as The Condemned LGBTQIA+
Spirituality Group's Contribution
to the Innovative Rehabilitative
Programming advancement, and
leadership for LGBTQIA+
perspective programming in the State.

I'll be sure to take a few issue of The
AZANDE Press Zines for our General
population Family, including both parts
of The Play titled; NO PLACE TO LAND.

"We've already mastered selfdestruction,
now let's see what we can do with
self construction!"

Damn I miss DJ Tules.

"Don't get me wrong, We know a lot about European Gay History, Name 3 things Black people will learn about in SoundMind Streamer that is about Black Gay History!"

"Not in detail tho, just name a few!"

"Easy, #1. A WWII American Black Soldier escaped Nazi Concentration camp with his White Gay lover"
#2. William Dorsey Swann who will blow your mind, and #3 that Franz Fanon was openly bi-sexual!"

"Stop playing, why do you think valuable information like this is not out there?"

"Prison is a very controlled environment, for example, all of those so-called Black Book Reading, know it all's on the yard pushing hard lines against homosexuality had to come across most of this, so, you would need to ask them why they leave the gay portions of Black History out, My focus is on providing equal access to these liberating facts so that manipulative slick shit is exposed,

- "Who named Daniel Parallaxboi?"
- "His nickname is Denny Boy."
- "So who is Parallaxboi?"
- "It's a title, not a name, so, Gay Kids in the Hood are only viewed from the position of others, not how they view themselves, so, they present as a Parallax, so we honorably recognize each other, He's young, so we call him Parallaxboi!"
- "OK, Parallaxgirl too?"
- "Exactly, ParallaxKid, Parallaxson, Parallaxunk, Parallaxdad, Parallaxcuz, Parallaxneff, Parallaxbro, etc..."
- "Like, I see you"
- "Yeah, they don't see us, but we see each other, we're never alone"
- "That's deep Bro!" "Parallax Society"
- "Gay Youth get targeted with hate, bullying, Church, Community, and Family rejection, but we run each other through the crosshairs of our hearts with love, care, and being available"
- "Denny Boy was only 9 years old when he came out?"
- "Yeah, now imagine, oh, yeah, he's exactly like the kid in the movie Moonlight, I was that kid too"
- "I saw that movie" "Parallaxboi for sho!"
- "It was like watching my own childhood, mine had more violence, but you get my point!"
- "Is there a Parallax Society in prison that is open?"
- "Yep, but alot are still 'private expression' residents, and still equally Parallaxed!"
- "Last words?"
- "Honor the Ancestor Parallaxsouls of enslaved Africans"
