

"SEAN RIKER: PEN PAL"

Greetings Earthlings,

Seanie is lonely. Seanie need conversation. Seanie is losing his mind, that's why he's speaking about himself in the 3rd person;.)

All joking aside, I need help on my wrongful conviction. I need someone familair with the law and the corrupt nature of it. I am not looking for fanatics against the Government. Just someone that knows it is corrupt. Not someone like; "The Government, Man, they're trying to control our minds, man! It's in the water, man! Mind-Control, Man! Its real!"

Yeah, not seeking someone like that. Just a down-to-earth person that knows the law and what they're capable of and someone that has a sympathetic heart to someone like me, a wrongfully convicted man, man. Know what I mean, man? :.)

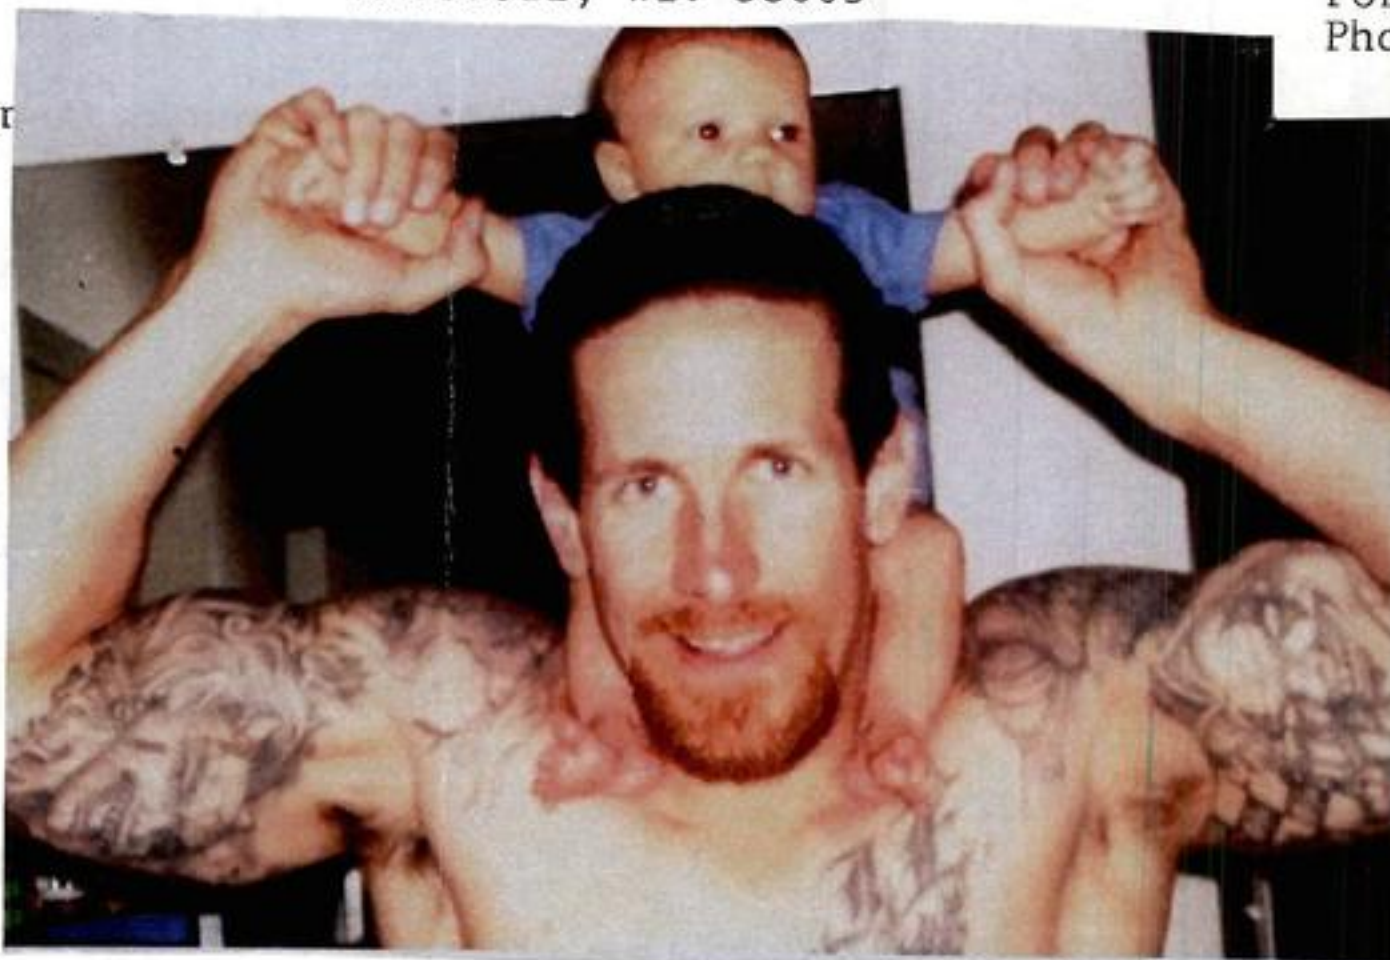

Grammy always said, The <sup>MORE</sup> you talk, the less people listen, so I will keep this short. I hope you write.

I have email via Corrlinks, Send me your email addy, we'll email,man:.)
