9/3/2023

I have a tablet now, so anyone who wants to contact me I welcome you to do so. To contact me you need to download the GTL.GettingOut app and create an account. My information is below, you will need it once you create your account. I look forward to meeting new friends. Also, my book "Striving to be a failure, The reality of Gangs, Jail Cells and Coffins," is available on Amazon. Please read my book and help me save young lives!

Sincerely,
