Blog entry :

This is a copy of an informal grievance I will file tomorrow on 3/15/24 :

To the Assistant Warden

On 3/14/24 - Property room Officer Bresie, sent an inmate to three right to notify me that I would not receive my laundry bag containing my pillow case and sheets since he said it was turned in, inside out and because of that I would have to send in a request to get my pillow case and sheets back - making me sleep over night without my sheets and pillow case - I have not written a grievance in over thirty years and now ask that Officer Bresie be reprimanded for his act of disrespect toward me ! Thank you for your oversight - Milo Rose # 090411
