Time: 7:43 INSPIRATION, Song that appeared on
Television Show "Mercy", NBC.

- 1.) **I don't Remember that first night,
 When you held me so tight,
perhaps it was still Daylight!
 But you whispered in my ear . . .
 How much you loved me.
 I know I musta Blinked,
Because that's What newborns do.
 Cuddle in your arms, As I took
In my first sight. From that day
 on I never not know What
 Love is. Because . . .**

Sing:

**that's How strong your Love is.
that's How strong your Love is.
that's How strong your Love is.**

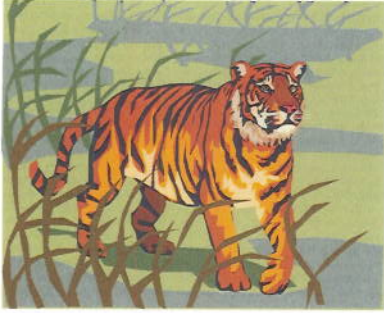

4.)

I don't wanna know How many cracks
Exist in your Heart . . . from everytime
I broke it . . . by getting in trouble
And going to jail. What mother wants
To see their Baby in HELL !!!
But Broken Hearts never stopped
You coming All this way to see me,
Letting me know unconditionally
Through Interstate, Rain & Snow,
- You'll Always be there.
Because . . .

Sing:

that's How strong your Love is.
that's How strong your Love is.
that's How strong your Love is.

5.)

**Almost every Baby Boy Prays for
the blessed riches of this world,
So he can Attempt to Relieve his
MA'MA of the Burdens of this here life.**

**As I sit in this cemented Tomb,
It seem As if the walls And
ceiling are lead Re-Inforced,
As my prayers seem to go Nowhere.**

**As I see you strive & struggle alone
out there, in this selfish World.
Knowing that you have no one Dependable
to lean on for even a brief Moment
to catch your breath;**

**The Tiger and Lion in me Set'A fire,
making me wanna Shaka My Brother
And Zulu My Niece And Nephews.
But I hear your voice telling me,
- "don't worry, I'll be fine!
And not to waste energy on
People who are not shit, even
Though they are family.
Because . . .**

Sing:

**that's How strong your Love is.
that's How strong your Love is.
And that's How strong your Love is.
That's How strong your Love is.**

5.)

**though I find comfort in my faith
and my faith in you. I'm tired of
Living A Greek And Roman Mythology.
fake Ass people claiming Pro Nubian
qualitites And Ideologies.**

**But when you ask assistance,
they sick like they Dying of Allergies.
Doctor Notes
as false as them.**

**Can't count on them Nor the things
They say. Lying to them is A
Normal part of Day. Promises
They spit in the wind, And as always**

**How Strong.

No need to cry, you never had their
