I am good people, a good

This incarceration of me is
just a bad mistake I made, and
won't ever happen again because
I know I am better than them all.
So if you (Mother) give me
a try and a chance, and become
seriously involved you and what

P.S.

Race, Color and Creed) or Class
is not a Priority factor in This
Relationship Establishment. All I Ask
is That Only "The Serious" Re-
spond, "Please!" And Your
Religion comes nothing away
from This Desired Relationship.

All I ask is That You Take
me into Your Heart into Your
Life, Keep me there, and Love
me As I Will Love You.

MAY "GOD" FAVOUR You
With His Blessings and Mercies.
