

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

I APOLOGIZE...

WRONG I WAS TO TAKE ADVANTAGE OF THOSE WHO FOR ME, PROFESSED THEIR LOVE! I WOULD IGNORE HER CRIES OF HER HEART BEING SORE, FOR I KNEW SHE'D COME BACK FOR MORE & FORGIVE ME FOR WHAT I DID BEFORE!

I DIDN'T CARE WHEN SHE TOLD ME I WASN'T EMOTIONALLY THERE OR HOW MY LOVE I REFUSED TO EQUALLY SHARE OR THE FACT THAT MY EMOTIONAL ABUSE SHE COULD NO LONGER BARE!

I PEERED INTO HER MIND TO FIND HER WEAKNESSES & FEARS WITH THE INTENTIONS OF MAKING HER SHED TEARS SO SHE WOULD DEPEND ON ME TO HEAR HER PAINS, THUS BRINGING ME NEARER TO HER SOUL, THOUGH IN MY MIND HER ONLY PLACE WAS IN THE REAR!

I CAUSED A VOID IN THE HEARTS OF MANY BECAUSE I DESTROYED THEIR ABILITY TO TRUST DUE TO MY DECEITFUL TACTICS & DESIRES OF LUST, WHICH TODAY CAUSES WITHIN ME MUCH DISGUST, THOUGH BACK THEN I TRIED TO JUSTIFY WHY I MADE THEM CRY BY WAY OF LIES, DEFIANCE & MY RESISTANCE TO COMPLY WITH THEIR PERSISTANCE TO ENGAGE IN A LOVING RELATIONSHIP!

NOTHING I DO WILL EVER RECOMPENSATE THEM FOR HOW I USE TO BAIT THEM IN THEN MAKE THEM WAIT FOR THE COMMITMENT THEY EAGERLY ANTICIPATED, THAT'S BECAUSE ONLY SEXUALLY DID I MAKE EFFORTS TO COMMUNICATE!

NOW I RECOGNIZE THEM TO BE QUEENS & THE MOST BEAUTIFUL SPECIES THAT MY EYE'S HAVE EVER SEEN. THOUGH IT MAY SEEM AS IF I'M SAYING THESE THINGS SIMPLY BECAUSE IN THE PAST I WAS MEAN & A SEX FIEND ONLY SEEKING THEIR SWEET CREAM AS I TRIED TO FULFIL MY EVERY SEXUAL DREAM!

THEIR LOVE DESERVES TO BE OBSERVED MORE THAN ONCE OR TWICE A YEAR, FOR THEY MADE IT CLEAR THAT THEY ARE TRULY RARE & ILLUMINATE AN AURA OR FLARE OF LOVE THAT THEY'RE WILLING TO UNCONDITIONALLY SHARE!

THEY GIVE US LIFE & EASE OUR STRIFE; FROM OUR HEARTS THEY REMOVE FROWNS & LIFT OUR SPIRITS WHEN WE'RE DOWN; THEY SHOW US COMPASSION IN AN UTTERLY UNIQUE FASHION; THEY SUPPORT US NOW MATTER WHAT & LOVE US WITH NO BUTS!

STILL I CAN'T DEFINE THEIR ESSENCE WITH WORDS WRITTEN OR SPOKEN, THOUGH I CAN ATTEMPT TO DISPLAY & CONVEY THAT WHICH MY HEART WISHES TO SAY REGARDING THE WAY THEY'VE EARNED MY RESPECT, HONOR & ACKNOWLEDGEMENT!

JUST AS PRECIOUS AS THE MOON YOU ARE & MY HEART YOU CAUSE TO SWOON AS SOON AS THOUGHTS OF YOU ENTER THE CENTER OF MY MIND & START TO BLOOM!

IN MY SOUL YOU CAUSE TO GROW SOMETHING I CAN'T EXPOSE BUT DO KNOW FOR YOU TO THE ENDS OF THE EARTH I'D GO JUST TO SEE YOUR SILHOUETTE GLOW & TO PLEASING YOU WITHIN, I'D NEVER SAY NO!

EVEN IF I WERE TO COMPILE THE EARTHS ENTIRE WORTH, SUCH WILL EQUATE NOT TO YOUR SMILE, FOR JUST TO SEE IT I'D SWIM THE LENGTH OF THE MIGHTY NILE!

IT'S IMPOSSIBLE FOR ME TO COMPLETELY EXPRESS YOUR FEMININE  
PROWESS & WORLDLY SIGNIFICANCE, THOUGH I'M OBLIGATED TO CONFESS  
THAT WHICH THE CREVESSES OF MY SOUL HAVE BEEN IMPRESSED BY, SUCH  
BEING YOUR VIVACIOUSNESS, UNIQUENESS & MUCH MORE, THOUGH NO LESS!  
TO ACKNOWLEDGE YOU BY WAY OF THIS POEM WAS MY ONLY QUEST, FOR I  
DID MY BEST TO RELIEVE MY SUPPRESSED STRESS REGARDING HOW I  
FOOLISHLY OPPRESSED YOUR DIVINE BLESSEDNESS!

IF NOTHING ELSE, MY APOLOGY I PRAY YOU'LL ACCEPT...

## THE WOMB

For years I have denied them their due respect  
Due to my actions, this ill treatment is something  
they've come to expect...

Through it comes life, while from it I only sought pleasure  
Its significance at times I couldn't understand,  
but now I know it exceeds all measures...

I used it to my advantage; then, too, I misused it at will  
My only thought of it then was a sexual thrill...

Then I was forced to be without it for many years of my life  
In the beginning I missed it so much,  
that emotionally, I endured much strife...

But now I have the utmost respect for it,  
for through it, my children made their exit  
After pondering over several thoughts, I now realize  
that the world wouldn't have come forth without it...

Our women are Divine beings, this we must comprehend  
before we reach the tomb  
Since I am a striving Muslim, it's obligatory  
that I respect the WOMB...

"CAGED POETRY"  
Brother Malik

Currently Wisconsin has within its prisons more African-Americans than any other state! The African-American population in Wisconsin is only 6%, while our prison population is @ 49% ... & Wisconsin doesn't have a race catastrophe on its hands? You tell me!

Before I continue, keep this in mind; when Brother Johnny Cochran (RIP) was alive, he said that he'd never take a case from Wisconsin because they do not adhere to their own laws (let alone the laws of the land), & who'd know better than the profound expert legal mind of Mr. Cochran!

Governor Doyle, who is Wisconsin's former Attorney General, recently put together a group of people to delve into whether or not racism exists within its judicial & prison system, & the result was a resounding **YES!** But this has been well known & documented for years; I guess because it came from a White male in a position of so-called authority, it now validates what we've witnessed, experienced & stated countless times! The group, comprised of African-Americans & Whites, gave a bunch of socially & politically appeasing paragraphs of how Wisconsin intends to thwart the now acknowledged constitutionally violated rights of thousands of African-American males, females & juveniles! If there's no one held accountable for said crimes, how will the "Suggestions" or "Stressings" of the group change anything or anyone? If justice was served for the crimes of which we were convicted, where's the justice for the admitted injustices forced upon us?

The entire system has to be overhauled for justice to be meted out. Police officers, detectives, court commissioners who set ransoms instead of bail & bind people over for trial, the prosecutors who charge, judges who sentence & hear direct appeals, the appeal courts, lawyers, prison staff (PRC, social workers, unit managers, security directors & other staff who can deter ones release), parole board members, probation & parole officers; all those of the aforementioned & more, will need to be thoroughly retrained & conditioned to uproot & discontinue the widespread deliberate practice of racism within the system! If not, nothing will change except the decreasing of the 6% African-American population!

The DOC must also alter what it's doing with, to & for its "wards" while in its care. It needs to be noted that Wisconsin has one of the

highest recidivism rates in the country; one of the contributing factors is what's going on within the prisons. Wisconsin has abandoned the principle of rehabilitating & correcting its "wards," for that means decreased recidivism, which means less jobs for those in these rural areas - farming is not getting their bills paid!

If the criminal mentality is not altered conducive, the prisoner will leave here the same as he came in! Time has revealed this is the objective of the DOC, for it has demonstrated it's their duty to punish even further & oppress, torture, abuse, rape, attempt to murder, debase, dehumanize, mentally, emotionally, spiritually, morally, economically, socially & intellectually warp the mind, body & spirits of its prisoners for the crimes we were convicted of! Therefore, no prison should bare the title of "Correctional Institution," nor should the DOC be called the Department of "Corrections"; each prison should be labeled a "Criminal Institution" & the DOC should be called the Department of "Corruption"!

Within the DOC is a "Program" called "Restorative Justice," which has the potential to be an excellent program if it were based on the authentic restoration of justice; however, its DOC & judicial participants stand before prisoners & openly admit to the willful criminal & racist conduct of the DOC & courts, yet nothing is done to them - why? Is it due to the fact that majority of DOC & judicial employees are White & the overwhelming majority of prisoners are Black? Apparently so! The head of the Restorative Justice Program, Rev. Hancock, also heads a "Spiritual Awareness" group at the Columbia Correctional Institution (CCI). During one of the group sessions, Rev. Hancock stated, "The people in the system are not racist, the system is racist!" Who makes up the system? "PEOPLE!" Was not "the System" acknowledged as racist!?

Check the facts; this country was built on murder, rape, kidnapping, & armed robbery, grand larceny, racketeering, drug dealing, prostitution, pimping, identity theft, terrorism, genocide, torture & racism! With that being the truth, only the delusional minded make such statements expressing shock & surprise when racism is demonstrated, it's the American way! Racism isn't dead because Obama is President, & no conscious minded African-American should subscribe to this illusion!

During his campaign, President Obama didn't highlight the poor

Americans, let alone the poor working African-Americans, they weren't mentioned or if they were, when? He refused to even address, full fledged, the race issue related to the prison & judicial systems. Not only does Amerikkka have the most African-Americans within its prisons, it has more people in its prisons than any other country! (About 1 in every 31 adults is in jail or on supervised released.) It was all about the middle class! But here's the irony & manifestation of self-delusionment: former President Jimmy Carter spoke up & out about how the republicans were opposing Obama based solely on racism, yet Obama discounted what a White man recognized to be overt racism! Mr. Carter said he was very familiar with their racist tactics & maneuvers because he was born & bred in the South! Was it that Obama thought it beneath him to delve into racism?

Laws were & continue to be made specifically to target African-American males, making our population in American prisons over 900,000 out of a little over 2 million prisoners! Wisconsin doubled & tripled its prison sentences, increased & created felonies, adopted Truth In Sentencing, gave judges & parole boards more power to keep us in prison, including a documented mandate by former Governor Tommy Thompson to keep us in prison for as long as possible; impacting what group of people?

No one wants to be viewed as hard on racism, why? There's an uprising when a homosexual or Jew is verbally/physically attacked &/or discriminated against, but you can do damn near anything to an African-American & suffer little or no consequences. The old slave owner precept still lingers on: "No Black has rights a White is bound to respect." The inception of racism commenced when those dejected Whites came here & did to the Natives what is contrary to the laws of nature, which led to the diabolically evil & hateful advent of slavery. For such, we only get an empty-ass apology while Whites in this country & across the globe still benefit from & we still suffer from slavery. How in the hell does the Japanese, Natives, Germans & Jews receive monetary reparations!? The effects of slavery, centuries of slavery have not disappeared as a result of that phony "Emancipation Proclamation" that the racist-16th President signed off on. Are you aware of Willie Lynch & the 13th Amendment to the Constitution?

There's no better way to know the reality of the present than by understanding the truth of the past!

Upon the lie that slavery had ended, the prison population, especially in the South, sky rocketed with African-Americans! Anything could result in an African-American being sent to prison for an indeterminate amount of time or receiving the death penalty! African-Americans, again, were kidnapped, held hostage, tortured, forced to labor & then killed based exclusively on the pigmentation of their skin. Has this institutionalized practice ever stopped?

Private prisons & industries within prisons are nothing new. Businesses have a vested interest in prisons being packed, for they pay pennies an hour for the work a private employee would receive "normal wages" for! Ever heard of the phrase "Slave Wages"?

Look at how they honor & celebrate war vets for their service while they're alive or shortly after their deaths. Yet my ancestors are acknowledged decades after, but are never appropriately honored! In every war, primarily the Slave War, my ancestors have yet to be honored & celebrated for not allowing our race to be annihilated; if they don't deserve due honor in the form of reparations in varying forms, no one does. To hell with Martin Luther King Day, Black History Month & Kwanzaa, for those are appeasements, pacifiers, distractions & illusions!

Wisconsin & Amerikkka needs humanitarian reform related to race relations & racism! Amerikkka travels the globe via their troops & so-called humanitarian groups seeking to rid the world of dictators & tyrants who oppress, murder, rape & control the minds of their people; in other words, Amerikkka is hunting the terrorists & enemy combatants so as to bring them to Amerikkkan style justice: to take up arms against a government is called treason & to attempt to coerce a government by the use of fear or force is called terrorism! Was not Amerikkka's so-called founders guilty of treason & terrorism against the Natives, African-Americans, Vietnamese, Japanese, Koreans, Haitians, Iranians, Iraqi's, Russians, others & of course certain people here in Amerikkka! Home grown terrorists are now donning suits, ties & black robes while sitting behind desks & benches. Some wear fatigues & carry weapons & badges while riding in cars with flashing lights & loud sirens! And there's one weapon they've never stopped destroying us with: the PEN!

Racism within Amerikkka, its judicial & penal systems, is not a mishap, it was & is a methodical plan, a plan that's beginning to expose

Wisconsin for what she truly is ... a racist, genocidal maniac!

If the politicians, who are racist or aid & abet racism, want to be tough on crime, then do so from top to bottom, Black or White, no exclusions or exemptions. A few months ago a Wisconsin politician was caught on tape speeding through a stop sign or red light & hit a man riding a bike, causing him serious injuries -both were White & of course nothing was done to the politician. Recently another White Wisconsin politician was caught on tape being arrested for drunk driving, but he was awaiting sentencing for a previous drunk driving conviction at the time of the latter drunk driving arrest. Lets look at this:

We know that drunk drivers are slaughtering innocent people with their vehicles everyday more & more, yet they routinely get a slap on the wrist, little if any jail/prison time, nor are their vehicles taken from them. Being that the vast majority of drunk drivers & drunk killers are White, it's no wonder why they can have 4, 5, 6, 7, 8, 9, 10, 11 "convictions" for drunk driving with virtually no consequences!

It's the politicians who create lenient legislation for drunk drivers because they know that they or their peers or loved ones are very likely to be one of those drunk drivers! That's why there's no campaign against drunk drivers like there was/is against African-American men, women & juveniles in relation to drug offenses. How is it that a crack addict can receive 10 years for a couple of 10 dollar rocks of cocaine, when it's obvious that he's an addict, yet a drunk driver, who has the potential to kill, is given a slap on the wrist, while the crack addict is demonized as society's lowest of the low, & the drunk driver needs counseling!? The main ingredient to the dramatic increased prison population is the war on African-Americans, excuse me, I mean war on drugs! With the surge of crystal meth users, manufactures & dealers, the prisons aren't filling up with them, why? I assure you that it's because that's a "White" drug/crime!

When an African-American & White are faced with the same charges, bail, prosecutor & judge, the White person will overwhelmingly receive the lesser sentence if any at all!

Recently, the American government is crying about a young White female named Amanda Knox not receiving a fair trial in Italy related to the brutal murder/rape of her roommate. How in the hell can this government try to save a White person cross waters for a supposed injustice served upon Amanda

Knox by a corrupt system, when they've not at all resolved the overt hatred of this criminally corrupt system here in America! There are thousands of African-American men, women & juveniles in these prison camps, on death row & who have already been executed illegally - where's the screams of injustice from the same U.S. officials trying to help Ms. Knox?

No judge, D.A., prison official, police officer, parole/probation officer, parole board member, politician or ex-President will ever openly admit to being a racist, but a duck is a duck, is a duck, is a duck no matter what.

The facts have been clearly laid out; not only America, but Wisconsin in particular has a plan for the African-Americans in this state - **PRISON!** These are not the words of a disgruntled prisoner, these are **"FACTS"** that have been validated!

It's the politicians who create the legislation for drunk drivers because they know that they or their peers or loved ones are very likely to be one of those drunk drivers! That's why there's no campaign against drunk drivers like there was against African-American men, women & juveniles in relation to drug offenses. Now is it that a crack addict can receive 10 years for a couple of 10 dollar rocks of cocaine, when it's obvious that he's an addict, yet a drunk driver, who has the potential to kill, is given a slap on the wrist, while the crack addict is demonized as society's lowest of the low, & the drunk driver needs counseling? The main ingredient to the dramatic increased prison population is the war on African-Americans, excuse me, I mean war on drugs! With the surge of crystal meth users, manufacturers & dealers, the prisons aren't filling up with them, why? I assure you that it's because that's a "white" drug/crime!

Recently, the American government is crying about a young White female named Amanda who is giving a fair trial in Italy related to the brutal murder of a young man. Now in the hall can this government try to send Amanda to a water tower for a supposed injustice served upon Amanda?

## A.I.D.S.

In my presence daily are hundreds of males who've been infected with an extremely deadly disease called **A.I.D.S.** but ignorance & unconsciousness had disallowed them to accept & acknowledge the truth related to themselves. As well, females too are not to be forgotten, for they too have **A.I.D.S.** With this being the case, we have to keep in mind the fact that when our women are impacted, our children are impacted, thus creating a cycle that can last for generations!

This disease has & continues to engulf every aspect of our lives, & if not careful, those of you who are in mainstream society will be under its devastating grasp. Not only are you too surrounded by some who are infected; there's a possibility that this virus has infected you!

The **A.I.D.S.** that you know about & the **A.I.D.S.** that I'm speaking of are entirely different, but they both have one thing in common...Death! Acquired Immune Deficiency Syndrome is the disease that shocked the world, but Addiction to Incarceration & Death Syndrome is currently crippling certain segments of society & at the same time economically empowering others.

This forms of **A.I.D.S.** is one of the motivating factors behind so many Black males & females & youths being in prison, & I use the word "prison" in the broader sense: dropping out of school; selling drugs; carrying guns; joining gangs; becoming teenage mothers & fathers; stealing; robbing; raping; but more importantly, dying! Subconsciously they're addicted to incarceration & death in their various forms. Surely this is worth thinking about!

When we think about addiction, for the most part we think of drugs, alcohol, gambling & a few other things. But I pose a question.... is corruption addicting? Is negativity addicting? Is a criminal lifestyle addicting? Yes they are!

Why would a person decide to live a criminal lifestyle knowing their destination is prison or the grave? After being released from prison, only a fool will purposely be placed in a situation that will lead them back to prison. After surviving a shootout, stupidity draws a person back to the deadly surroundings... or, is it because they're unknowingly addicted?

This is why incarceration & death must be acknowledged by the public as a legitimate addiction. In every case, prison is not the cure for this form of **A.I.D.S.**, for prison sometimes enhances the disease, leaving some unable to be cured at all!

The public needs to be made aware of this form of **A.I.D.S.** because there is a cure for it. We can prevent 12, 13, 14, 15, 16 & 17-year-olds from coming to prison for life sentences; 14-year-old girls can be deterred from sleeping with different men to obtain material items & money & recognition; mothers & fathers can once again be the rightful controllers of their homes; teachers can regain control of the classrooms; neighborhoods can return to being an extended family.

Incarceration & death both come in many forms, meaning the mind & body & spirit. Though one is physically free, at the same time, they can be either mentally dead or incarcerated. Just because your heartbeats doesn't mean your soul is alive!

So **A.I.D.S.** affect a person in many different ways, & in one way or another, with this being a capitalistic county, & with this country having more people incarcerated than any other country, “you are” affected in such a way. *I* say this based on the fact that I once had this deadly disease, but was blessed with a cure in the form of Al-Islam, & it not only altered my life, it saved my life.

Unfortunately, you have some who will never be cured or know if they’re infected. This is why you have kids killing, kids coming to prison, kids selling & doing drugs, kids having kids, kids carrying fully automatic machine guns & kids just being criminals! This is due to them being raised by & around & associating with those infected with **A.I.D.S.** Now they must be cured before it’s too late! —

I challenge everyone who has read this information to assist others & myself in putting a stop to this disease. If this challenge is not accepted, then I know with certainty that those who are not attempting to prevent the spreading of **A.I.D.S.** are major factors in its continuing growth!

For too many years many have talked about the problems amongst us & what needs to be done, & talking is good if it is your actions that speak for you. So, do you really want to talk about **A.I.D.S.**?
