Dear Blogger.

12-17-10

Hi how are you all? Me, OK. I will like to thank all of you for taking the time to read my blog. Please read with an open, honest mind. I will tell you first I am a Sex offender. My name is Steven C. Sanders. I am a bi-sexual 30 yr old male who is 5'10" & 175 lbs. I have blue eyes & brown hair. I am doing 9 more yrs out of 20 yrs for child pornography I was caught sending sexually explicit images of young boys to a cop. I believe we have a First Amendment to right to look at any pornography. If ~~then~~ no one is forced & no pain. But I will and encouraging you all to accept and abide by the laws. If I get free I will. I know it is necessary for me not to re-offend if you did 20 yrs you probably don't need much convincing on this point once you have experienced what the legal system and prison life can do to you. But I will work to change some not all of the sex laws. I believe in the beneficial aspects of consensual intergenerational relationships for both older and younger parties. At 8 yr old I had a intergenerational relationship with a 60 yr old man. I love him and he love me. we had a lot of fun. At 8 yr old he began to instruct me in the art of

male-to-male love making. At that moment on I had become a willing student and wanted to know everything and have more demonstrations. I have a Associate Degree in child psychology I am looking for a pen-pals who are extremely open minded to share first time sex experiences with. I had my 1st time with a 5yr old boy I was 5yr old too. I love to share all of my boyhood sexual stories. I like long & newsy letters with hot sexual stories with all the rounchy details. Leave no stone unturned. I will like a pic of you. I will have a pic of me soon. NO NUDES from me or to me o.k. They are NOT aloud here. Some of my likes / hobbies are: Animals, electronics, some sports, swimming, going to the beach, nude beaches, nudist colonys, movies, reading, listening to music, helping L.G.B.T.Q. organizations / groups, helping others in the L.G.B.T.Q. community, Fighting for equal rights for all L.G.B.T.Q. people. I am a member of N.A.M.B.L.A. I am a very open, honest, helpful guy who you can ask / Tell Anything, so don't hesitate to o.k. You will enjoy a good correspondence with me. But I do not expect or want any B.S. or head games. you will get none by me. So write on the Blog or write me at
