"The Soul of A man"

Mr. Michael D. Finnean

"What you NEVER KNEW"

Smiles that were contrary to body gesture  
APPROVAL.

I witness before my EYES.

fore what I thought was right.

WAS WRONG.

THOSE DECEIVERS I come to despise;

Was given game on hustling drugs at age 10.

Still I refuse to point the finger calling upon  
one to blame.

but it was evident.

if family WERE conscious.

I would become a product of drugs & gangs;

• What you NEVER KNEW.

Was my "MOTHER" who's EVER so beautiful.

and syrup honey sweet.

would be addicted to water.

that drug commonly known as P-C-P;

thus the streets was a friend of her's as well.

which at age 12.

the ease life I lived.

BECAME THE REFLECTIONS OF A ON EARTH HELL;

Ma, took a bullet to the chest.

A day i'm unable to forget.

that day she physically died.

And memories along with her magnetic spirit.

I remain to be left with;

• What you NEVER KNEW •

It took over a year for me to shed a tear.  
Suicidal I truly became.

thus lost the notion to love.  
and embraced the streets.

violence, drugs, and gangs;  
That word "Good".

very estrange.

I knew not of what it was.

and to turn back the hands of time.

would be repeating a pain I wish NEVER had  
to exist.

therefore.

I leave the past in the past.

using my history as strength to uplift;

• What you NEVER KNEW •

Is that I would spend OVER 15 YEARS in prison.  
and have to fight for physical freedom alone.  
Educated myself.

then Mental Liberation gave me a peaceful  
mind.

brought out the want in me to be fully known;  
I tell you right now today.  
of entities that's been locked in a box.

\$5

And I give you more truth as time goes on.  
and will never stop.

• What You Never Knew •
