

Why I am able to be faithful.

"THE TRUTH"

Sunday 4/3/11 watching Television in my cell, Philanthropy is the theme of the evening. A B C has a show I had never viewed before called "Secret Millionaire." Tonight's episode had a couple from Texas who own "Curves". I did not catch their names. What was of importance was that I caught the condition of their heart. The 3rd ward, Houston Texas. I use to attend Wheeler Avenue Baptist Church when my girlfriend attended Thurgood Marshall Law School. As a first year law student, (ex-girlfriend) in Houston.

The husband was raised in Houston. The 3 non-profits they visited were worthy recipients of the couples monetary support. How rewarding to obtain security. Peoples needs would be met. There's stigmata associated with my charges and stigmata associated with my surroundings. Please do not allow a preconceived bias to make you reluctant to come to my rescue. Find a comfort zone, relax. NEED BE, SEND AN INVESTIGATOR FOR THOROUGH COMPREHENSIVE ANALYSIS OF MY CASE, documents and 3 independent non presence alibi defense. Time is of the essence to prove my factual innocence. The "Curves" couple wrote checks in the amount of \$100,000, \$50,000, \$20,000 and \$250,000. I.E. Alibi defense eyewitnesses.

Factually Innocent

NBC wasn't playing around either. Donald Trump, "The Celebrity Apprentice." People take extreme pride when representing their cause. I want you to take comfort in the knowledge that I AM NOT A SCAM.

The reason you feel receptive to my cause and are receptive to assisting me, retaining an attorney, is the fact that you hear professionalism within my pitch writing.

1989-1991 Russellwood Productions, Brazil Indiana, Mark Anderson Aman. Due to date never seen ~~face~~, Face to Face, hired me as a telemarketer via Burl Williams in Joplin Mo. I learned how to raise money for The fraternal order of police. 1991-94 and 1996-Oct 1998 I was a door-to-door fundraiser for United Youth Careers headquartered in Des Moines IA, to keep inner-city youth alcohol and drug free.

Now 1998 I was defamed. July 1, 1999 I was wrongfully convicted. Oct 2005 my father died. Instead of enter panic zone, I sought out the learning zone. 3/29/11 Blugging is the first time, I've been able to communicate my practical innocence, to an audience reading my mail, whom may respond appropriately based on my need. So, with track of a fundraiser, logically, I entered the comfort zone, taught me by Mr. Burl Williams and Mark Anderson.

Thank you.

P. KOEHN DOB 3-29-81.

"The Verdict"

9. S. Lewis. Branch 8 Dane County Madison WI. Judge Patrick J. Fiedler.  
Acquitted counts 1 and 8 Jurah. Guilty Count

"Counts 1 through 6, I think, are probably a situation  
where I would describe being classic in criminal trials and that is  
what do you believe in regard, excuse me, in this regard. They all involve  
the defendant and P. Koehn. They are counts of the most serious  
nature when I consider count 1 first degree sexual assault, count  
5 kidnapping, both of which are class D felonies. To my way of  
thinking there is probably no other crime on the books more  
serious than those from my personal standpoint than first degree  
sexual assault other than first degree homicide. That does not  
change the burden of proof, et cetera. I simply mention that to  
indicate that I am well aware, as are counsel, as is Mr. Terry,  
of everything that each side has put to the court for considera-  
tion, everything that each side has risked in that regard. THE  
STAKES ARE HIGH.

Wrongful conviction: Factual innocence claim  
and miscarriage of justice

I don't find it unusual, and I can say this because I'm the trier of fact, in a situation involving allegations of this type, particularly sexual assaults, to have only two people who are present at the time that the allegations arise. Sexual assault usually takes place in private, often involves a credibility test and I am satisfied here that P. ~~\_\_\_\_\_~~ Kuehn's testimony is credible, that the defendant's in that regard to the extent that it differs from P. ~~\_\_\_\_\_~~ Kuehn is not, and further that it is corroborated. I found her to be a credible witness. I had the opportunity to observe her."

"I find that her statements given to Detective Nelson are consistent and corroborate her individual testimony, that her identification of the defendant was positive and proven beyond a reasonable doubt." Found guilty 1-6 P. ~~\_\_\_\_\_~~ Kuehn.

### Post Conviction

Bloggers view bank page, November Calendar., the calendar is defense attorney Edward Kuehn's in order to memorialize chronology and other vital information to defend the client (me). Sunday Nov 8 PMH assault incorrectly 11:00pm - 12:00am. Notice Nov 9 7.75 hrs. (attorney Kuehn memorializes fact that I worked 7.75 hrs Monday Nov 9 @ professional speaking and management inc. 164 Monroe St Madison WI. even witness at lib 1 twice by manager Shannon Linnane and Manny Tsui, because wrong chronology, instead of correct 12 hours, my alibi was not been considered by the trier of fact. During the time line of P. ~~\_\_\_\_\_~~ Kuehn's allegation I am not present "to have only two people who are present at the time that the allegations arise."

I was denied a fair trial and due to extreme indigency am soliciting pro bono assistance as a model fair society of the power of blogging over social media.

The defense attorney prayer: "God save me from an innocent client." MAY I JAMES TERRY. HE THE FIRST?
