

"Love"

Poem

Love is Real.

It's something you can seal.

And when you find it you'll begin to Heal.

It's not such a Big Deal.

Love is blazing

When it inners your Life it's Amazing.

Love is strong.

I feel it's something Very Long.

Love is Very Deep.

A lot of times we'll loose sleep.

Love is a Whole.

So it can't be stole.

Love.
