

"Professional Athlete's"

My Favorite Sport is Boxing. "Michael Gerard Mike Tyson"
 Nicknames ⁽¹⁾ "Iron Mike" ⁽²⁾ "The Baddest Man on the Planet." He's a Former Boxer the Brother is a Living Legend His title was Heavyweight Champion in and out the Ring. Total Fights 58 Wins 50 wins by Ko 44 Losses 6 Draws 0 No Contests.

He's got a Very bad Attitude, I think He was born with that. White Folks raised Him.

He's been to prison once He was convicted of raping Desiree Washington. ^{February 10th 1992} Another time for Legal problems I know of. He was married to Robin Givens February 7, 1988 to February 14, 1989. Along time Ago.

The Brother is Fine to me. I Love a Big strong man. Because, I know He'll protect me in a War. Men know He meant business in the boxing ring.

He'll always be an Icon in my Eyes.

I heard He had a child Exodus 4 years old (Daughter) found tangled up in a cord dangling from an exercise treadmill. She was found by 7 year old brother Miguel. Boxing gives you speed, And you must have a lot of energy to win against your Opponent. His Birthday is June 30, 1966. He's 44 years old Today. And, still sexy to me. He has seven more Children Alive Now. My things is this. I don't judge Nobody in Life. I appreciate ~~their~~ their accomplishments here on Earth.

Allen Iverson (AI)

Professional Basketball Player. Well dealing with "AI" as He was known. Started in His young Life being Born as what they call A Miracle Baby.

He came up in Richmond, VA. With Homeboy's like Michael Vick. Which they went to the same High school both played football, were "AI" was a QB and, could have made the Pro's.

With that chance He went to the NBA to the 76ERS which He lived up to all the Question asked only to become elite among bigger competitors.

Where Are The Jobs?
Mr. President.

February 14, 2011

First off with the Economy so bad at this point. People are getting laid off work constantly, because of no funds so the Government say.

So Don't fault the President He's doing everything He can to save the public employment. And on top of all of this we've been in a Recession now for 4 years. Since 2007 And it's still not over yet. I

think President Barack H. Obama is a Great Leader He just need His Administration to back Him up. If you want to see Leadership in the Black Community it starts with You get off your backside get out go to Different Companies fill out job Applications make phone calls etc. President Barack H. Obama demand Change but in all realize Change begins with (us). So Due your part and, you'll see the Difference.

P.S. I'm open for any opinions and comments.

"Dreams"

Poem

Are Visions in our mind.

But they can become very kind.

We have to believe.

In order to Achieve.

If we follow our Heart.

It will never tear us Apart.

Dreams are for everyone.

So that means you're the one

Can Dreams come true?

Yes they sure do.

Dreams are like a Run.

They are lots of Fun.

Battle on The Hill

Can The President Prevail?

Some African Americans, Whites, Hispanics are finding fault in President Barack H. Obama.

Leadership talking about what He's not doing for America but on the flip side of that they're not looking at all He's accomplished for (us) since He's been in the White House. White House spokesman Bill Burton clearly stated about Obama. He will not back off of what He believes to be right, but He is committed to finding common ground. My point exactly. I hope He does get re-elected in 2012. We'll have to see. And these so-called Leaders in office need to do their part and stop criticizing (our) President Barack H. Obama. With unity we can change →

the things in the World, And He want change
that's been His Goal from day one January
20, 2009. And it want happen overnight but
it will if we work at it, As a whole
Can the President Prevail? Yes
With His Administration backing Him up
100%.

I'm open for any opinions and comments.
