Hello!

As my first blog post I would like to say that I think it's great to have this opportunity to meet people, and be able to share things about myself. I've been incarcerated for 6 years now and will be leaving here in 2012! I'm excited and have lots of plans. One thing I am interested in is tattoos. I want to be a tattoo artist. I love how people express their uniqueness through the art on their skin. It can say a lot about a person. I can draw, but I don't feel that I am good enough just yet. I have a picture on my profile page, and I drew two of my favorite things... roses and butterflies. I love rock music (but listen to everything). I'm not very good at introductions, so please feel free to ask me anything. I am a very honest and open-minded person. Thanks for taking the time to read this, hope to hear from you soon!
