

Hello Everybody!

3-30-11

Its Me, Reece Again 😊

Just like everyone to know that I am still here, still single, still lonely, and still bored to death and would love to hear from you more than ever. So, whats going on in your world?

Me? Not much of anything exciting or new going on in my little corner of the world.

I will say that I got a hair-cut today and I was pleasantly surprised at how good it turned out 😊 But you wouldn't believe the aggravation and chaos I had to go through to get out of my dorm and get to the nearest Barbershop; OMG!

The food still sucks, only difference is, now the portions are getting smaller due to the budget cut.

Well, if anyone is interested to correspond directly, I'd love to meet & hear from you. Take Care and enjoy life.

Reece
