

Dear Friend,

I'm 63 years of age, white male, seeking friendship and pen pals of any age and any race. I am a Christian taking college level correspondance courses in Biblical Studies, ministry ordination, and prophecy. I have already earned an A.A. degree and am now in my third year of a six year degree program.

My sentence is 25 years to life because I'm a third striker but my current offence is non violent. I would enjoy receiving hard copy letters also at the following address:

Joseph A. Roberge, T-74149

M.C.S.P., C-11-222-L

PO Box 409060

Fontana, California 95640

I would enjoy sharing my hobbies, likes and dislikes with you and get to know each other via the internet, letters, and visits (visiting form must be returned to prison and approved by prison officials prior to visits. I am learning Spanish & French. Hoping we can blog or have correspondance soon

With God's love Always,
Joe Roberge
