"NEVER CRITICIZE ANOTHER UNTIL YOU'VE WALKED A MILE IN THEIR SHOES."

(That way if they get mad you're a mile away, and they are barefoot :))

It was nice to hear from all of you. I'll respond in the order you wrote me.

That's an awesome name! Where does it come from? Tell me about yourself. If possible, send me a picture. You can always write me via snail mail. < David Troupe #765714

Guten tag? Wie heißt du?

My drawings rock? Thank you! To be honest, it's hard for me to find inspiration so I don't draw much. I use to get tattoo magazines for motivation.

Where'd you get the "Orphan Norway" nick name?

Also, I hope you'll drop me comments even if I'm not posting art work. Or even send post cards.
