Hello Out there FREE World!

As I sit here & write this I have 12 months left on a 10 year sentence (Day For Day.) A lot has happened & changed throughout these 9 yrs. of my incarceration & "retribution" to "Society" But one thing that has not changed is that I have not lost my morals & principles as a man & human being ~ Something that FLORIDA Dept. OF CORRECTIONS tries so hard to "strip" from an inmate. There is no such thing as rehabilitation in this Penial System. I have been asking for substance abuse help for 6 yrs. now & I am still on the "Waiting List" ~ I have not been able to participate in no vocational classes because they are "not available". Basically all this penial system consist of is a human DAREHOUSE where it is common to be yelled at, humiliated, mistreated, physically abused & etc. This only helps create Hostility in a mans heart & or mistrust, Trauma & straight up Hate.

To Society prison is a "Country Club" 3 meals a Day, a Bunk, no Bills & etc. But in reality prison is a Dehumanizing

"shit hole" ~ I can't speak for other states but Florida prison system is a complete failure for those who make a mistake, get locked up & when done w/ their time would like to enter society a changed man ~ supposedly societies tax payers are paying the way for us to be educated, trained & prepared for society.

"Bullshit", it's all bullshit ~ All that money goes towards building more & more prisons. The state of Florida has over 50 prisons & counting & they're all full ~ Why?

Because nothing is being done to rehabilitate & educate ~ On the contrary all we see & hear is mistreatment & verbal abuse.

One out of 100 guards treat an inmate according to the rules & regulations. I've had officers "brag" to me how when they were in Iraq they "stole" & brought back "souvenirs" & how they shot turbans off peoples heads over there & killed car loads of people. This comes to show you in who's care we are under ~ "Thieves" & "murderers" ~ If this letter is discovered I will be retaliated against; "hook up" is what it's called ~ This consist of me yelling obscenities from my cell door & have to get sprayed w/ chemical agents (gas) to cease my disruptive behavior ~ Also stripped naked no clothes, linen, mattress, or property for days no matter the temperature plus the loaf for 21 straight meals.

The "loaf" consist of Beans, Grits, Tomato paste & God only knows what else all ground up together & baked until dry in the oven. This is the risk I am facing for writing this but I don't care cause I want people to know the Bullshit we go thru in prison & why over 80% of inmates re-enter the prison system in Florida & I'm willing to bet that the other 20% that does not re-enter is because they left Florida. This system is designed as a revolving door. I can go on & on about this but I'll save it for future blogs ~ I want my readers to know that I am not Lashing out on Fla. D.O.C., whatever I am writing is the God honest truth. I wish for this to be known in society so that maybe change can come.

Well, stay tuned for more & if possible I'd like to read some feed back on these issues. All comments are welcome.

Sincerely & In Solidarity,
