Mission Statement

Please honor and respect my novice pitch writing. "Is this microphone on?" In order to obtain monetary support I've taken my door-to-door fundraising experience online. I'm seeking viral philanthropist to sponsor my cause fighting denied justice.

"On the other side of this monitor... yes... you reading this text... do you feel my pain? Can you hear my voice reaching out to you?"

Speaking directly to potential contributors. Accept this contract as my article of good faith. Back page at your leisure. Learn about the miscarriage of justice that exploited my civil rights to a fair trial. Read my logistics, understand supply/services needs and thanks for any support that you may give to my pay it forward campaign.

AFTER ALL, IT IS COLLECTIVELY WHAT THE BLOGGING COMMUNITY DOES INDIVIDUALLY AND AS AN ORGANIZATION THAT WILL MAKE THE DIFFERENCE TO CHANGING MY MISFORTUNE.

OUR ULTIMATE GOAL IS TO FREE JAMES TERRY BY OVERTURNING MY WRONGFUL CONVICTION, RESTORING MY RIGHTS TO A FAIR TRIAL IN FRONT OF JURY OF MY PEERS.

I AM NOT AN AVATAR LIVING IN A VIRTUAL WORLD INSIDE OF YOUR COMPUTER. I AM FLESH AND BONES, A LIVING HUMAN-BEING, WRONGFULLY IMPRISONED AND IN THE MIDDLE OF A CRISIS. I AM PLEADING FOR YOUR SUPPORT DUE TO MY EXTREME POVERTY.

I dare you to challenge your own belief system, challenge all preconceived stereotypes and face this moral dilemma head on offering relief to the weary.

The only way to overturn my conviction is to retain an Attorney/Firm post-conviction, have investigator interview my 3 independent Alibi eyewitnesses, obtain their affidavits, hold an evidentiary hearing based on newly discovered evidence and vacate Case No 1998 CF 2416 having trial court order a new trial.

Retain an Attorney while District Attorney either chooses to appeal trial court's decision or orders new trial. Best case scenario District Attorney accepts EXONEREE status that (3) Alibi eyewitnesses testimony at evidentiary hearing proves my factual innocence. Pruning P. Hoehn, 3-29-81 doc, takes a hit and I obtain immediate release.

Help restore justice. The trial court should be afforded an opportunity to correct an error.

Consistently I've maintained my innocence, worked tirelessly throughout my wrongful incarceration to clear my name, when will I be vindicated and released from prison?
