

Dear Tikiya,

Hello Beautiful...

I was just telling someone how much I really love you, how you've always had my back and always encouraged me to "Be GOOD".

So I felt that I had to tell the world how much I need you.

Proverbs 18:22 says

"The man that find a wife
finds a treasure, and he
receives favor from the Lord".

and I thank Jesus daily that I have that in you. Because life has shown me that a good woman (a wife) helps a man respond to life in love and kindness through his thought process, which really do motivate him and his actions.

So me finding you is good...No great!!! I've now obtained favor from the Lord, (Amen) because he uses you to keep me conscious of the compassionate love of Jesus.

Thank you for being a Proverbs 31:10-31

Woman, and the Jesus in you makes your face shine (Ecc.8:1).

And I know that my tomorrow's shall be better than my yesterday's (Ezekiel 36:11) truly Tikiya you are my answer, thank you for being a beautiful woman to me! Love, respect and loyalty..

Always
Marcus D'Angelo

Thank you Jesus for your mercy, love
and saving grace...

And also the blessings of
Tikiya's beauty is my favorite face.
