

Hello World,

5-19-11

My Name is Rodney Foster. I am from the lovely state of Wisconsin. GO-Pack-GO. (smile) I was born in Michigan City, Indiana to a single teenage mother. I was raised in Milwaukee, WI. I have a older sister and two younger Brothers. I am 36 years of age. I am currently a inmate at the Maximum Security prison in Escalante, Formerly known as the Supermax. I was charged with first degree intentional homicide at the tender age of 17. Being that I knew nothing about the law at that age. I was convicted of this crime, and given a life sentence. I am eligible for parole in 2023. I was wrongly ~~convicted~~ convicted of this crime. I am now in the process of trying to get my case overturned. (Wish me luck) In August I will have been in prison for 19 years, which is over half my life. Since being in prison, I've gotten my H.S.E.D. I completed a vocational course, and I was enrolled in a college course until the state cut the funding. I am a good person, with a great sense of humor. We all have flaws. I admit mine.

I am looking to correspond with women who are willing to take a chance on me. Women that are willing to get to know the man I am today. And not judge me for the child I used to be! I do plan on blogging and sharing more of my story with the world. I hope I can help some young person not go down the road that got me here. I hope that road is never taken

again! I'm going to close for now. I hope to hear from some of you soon. I will reply to all inquiries. Thank you.

## "God send me an angel"

God send me an angel. An angel I can hold.

I'm asking for an angel. I can do without the pot of gold.

Send me an angel, to turn these gray skies blue. To chase the rain away, and let the sunshine through.

God send me an angel. An angel just for me. I've been waiting all my life. God where is she?

Send me an angel. An angel to love me for the man I am today. And not the boy that I used to be.
