also begun looking for my older half sister

that I have not heard from or seen in

almost 10 years. I will most likely spend

the rest of today reading right now i'm

its part of the sword of truth series (I

really enjoy fantasy books. Well anyways i'm

Same day diffrent time,

I was wondering if anyone out

there might want to buy a painting or

I do oil or Acrylic on a 11" x 14" inch board

If you would write me my address name and

Doc # is on my profile page. ☺

And I was also wondering if someone might
make a copy of my picture and post it on
my blog, if that even possible!
